

## **Measure Z Recruitment Overview**

11 qualified candidates submitted applications by the June 13 deadline; 3 applicants submitted after the deadline.

Of the 11 qualified applicants, 4 of the 5 council-approved qualifications were achieved. The one missing qualification was a "Retail Representative of the Downtown Business Association".

After a discussion with the Deputy City Atty and City Clerk, it seems the Council will have two choices: 1. Choose 4 members from the 11 qualified applicants and allow the Council to pick the fifth candidate from the Downtown Business Association. Or, 2. Choose 5 members and amend Reso 2012-24, which requested a "Retail Representative from the DBA", to remove this requirement the Council would need to amend Reso 2012-24.

Of the 5 qualifications sought by the Resolution

1. Representative of the Chamber of Commerce – 1. David Grodin
2. Officer from a HOA or Neighborhood Associations – 4. Geraldine Mellen, George Tucker, Corina Lopez, and Robert Engelhart
3. City Board or Commission Member – 5. Ed Hernandez, Cimberly Tamura, Esther Collier, Arlene Lum, Philip Daly
4. Owner or Manager of a business located in San Leandro – 1. Christine Wise (Collier and Lopez are also business owners in SL)
5. Retail DBA member -- none
