Marina Park

Mallard Picnic Area | Marina Park

## **Original Conceptual Design**

BCDC interpretive elements and public art

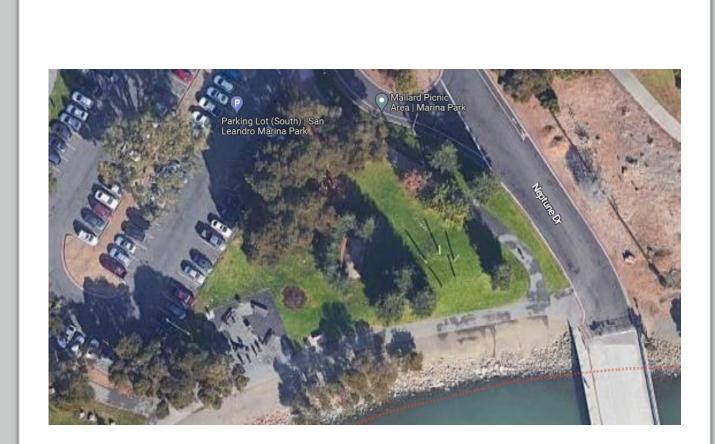

- Complements the bay setting
- Focus on the natural and historical factors of the site

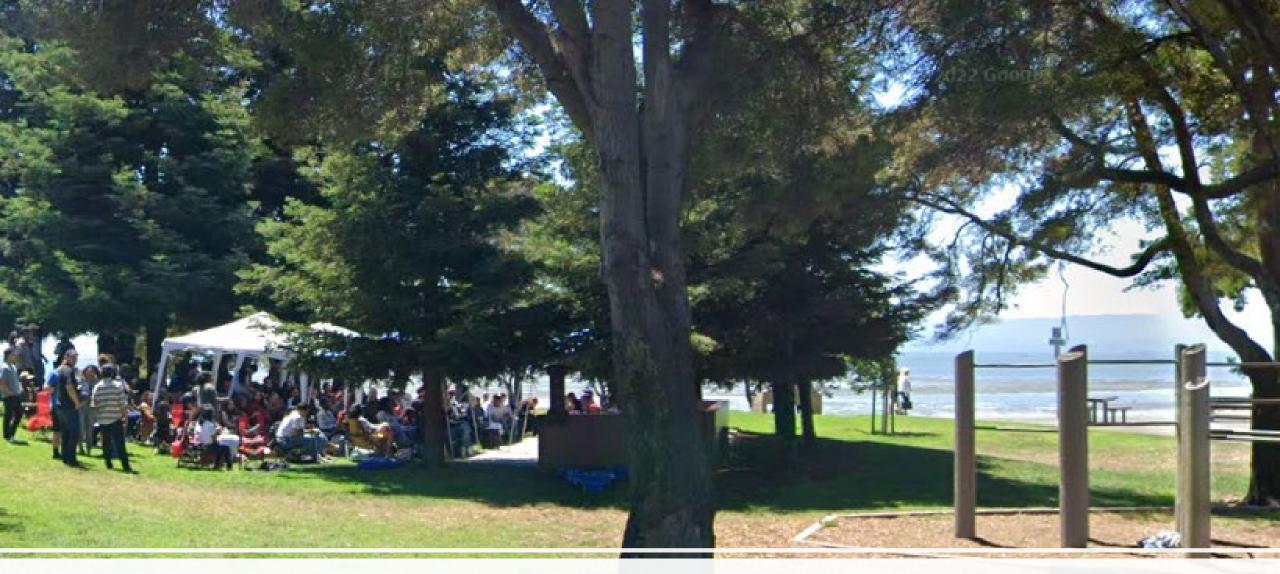

## Proposed Location

- ✓ Existing gathering space
- ✓ Blank canvas
- A space that can evolve in phases through community conversations
- ✓ Scalable based on budget
- Minimal regulatory requirements depending on design elements

### **Existing** Pavilion

- Themed seating levels
- Lighting
- Outdoor speaker system

- Seating levels each with a theme
- Lighting

• Flag pole

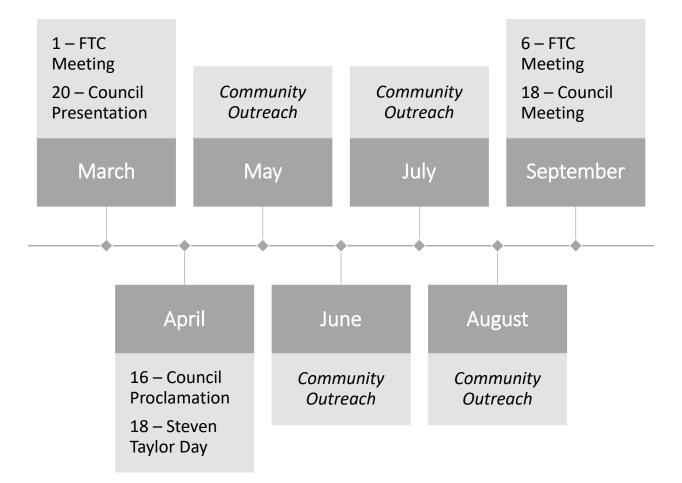

• Pavilion art

- Conceptual Ideas:
- Outdoor musical instruments

#### Tentative Timeline
