2.C. [21-211](#)

Staff Report for the City of San Leandro City Council Finance Committee Regarding Adoption of Shot Spotter Technology for Approximately \$50,000 Per Year

Acting Chief Torres introduced Jason Silva & Ron Teachman of ShotSpotter. Mr. Silva & Mr. Teachman presented information on ShotSpotter, a gunshot detection technology that uses acoustic sensors to detect, locate, and alert law enforcement agencies about illegal gunfire incidents in real-time.

Acting Chief Torres recommended that the City Council Finance Committee direct staff to research funding opportunities for Shot Spotter Technology.

Committee is interested in moving forward, but wanted to review and revise the presentation for Council to include privacy concerns, etc. Committee also wanted to ensure that the police department practice transparency with the use of this technology (e.g. City of Oakland's current practice.)
