This non-exclusive license (this “**License**”) is entered into as of [INSERT DATE] (the “**Effective Date**”) by and between the City of San Leandro, a California charter city (“**City**”), and Prop SF (“**Prop**”), a Limited Liability California Corporation, to provide Prop with access to the Wes McClure Public Boat Launch (as defined below) and the associated Parking Area (as defined below) in order to conduct a daily private charter boat service to destinations determined by agreements between Prop and the entity arranging for such charter service. City and Prop are sometimes individually referred to as “**Party**” and sometimes collectively referred to as “**Parties**” throughout this License.

### RECITALS

**WHEREAS**, City is the owner of that certain real property situated in the City of San Leandro, Alameda County, California, as more particularly described in Exhibit A, attached hereto and incorporated herein by reference (“**Shoreline Property**”); and

**WHEREAS**, the Shoreline Property includes certain improvements which are used by lessees and the public at large for recreation-related activities, including, but not limited to several leased structures, a harbormaster’s office, marina, dock improvements and numerous parking spaces; and

**WHEREAS**, the dock improvements located at the Shoreline Property include a boat launch (the “**Wes McClure Public Boat Launch**”), which is available to members of the public for loading and unloading of vessels; and

**WHEREAS**, Prop provides a private charter ferry service under contract to various entities who desire to travel by water and has ongoing operations in other areas of the San Francisco Bay Area; and

**WHEREAS**, Prop desires to schedule an additional stop at the Wes McClure Public Boat Launch in order to pick up and drop off passengers up to eight times (four pick-ups and four drop-offs) Monday through Friday in connection with Prop’s private charter service; and

**WHEREAS**, the location of the Wes McClure Public Boat Launch is depicted on Exhibit B, attached hereto and incorporated herein by reference; and

**WHEREAS**, Prop desires non-exclusive access to use parking spaces within the adjacent parking area located directly to the north of the boat launch(the “**Parking Area**”), as depicted on Exhibit B; and

**WHEREAS**, Prop desires to permit its riders to use the Parking Area on a non-exclusive basis between the hours of 5:00 a.m. and 7:00 p.m. on Monday through Friday; and

**WHEREAS**, City is supportive of Prop’s provision of a charter boatservice at the Shoreline Property and desires to permit Prop vessels to use the Wes McClure Public Boat Launch for the purpose of picking up and dropping off passengers up to eight times per day (four pick-ups and four drop-offs) on Monday through Friday in connection with Prop’s private charter service and to permit the non-exclusive use of the Parking Area for the parking of passenger vehicles, in accordance with the terms and conditions of this License.

**NOW THEREFORE**, the parties hereto agree as follows:

1. Grant of Permit

A. City hereby grants permission to Prop to access the Wes McClure Public Boat Launch in order to pick up and drop off passengers up to eight times (four pick-ups and four drop-offs) Monday through Friday in connection with Prop's private charter service and in order to allow Prop access to City property to make necessary improvements for operation of Prop's private charter service pursuant to the terms of this License.

B. On or before the first day of each month during the term of this License, Prop shall pay to City a fee (the "**Permit Fee**") in the amount of One Thousand Dollars (\$1,000) per month for Prop's access and use of the Parking Area and Wes McClure Boat Launch. For any partial month at the beginning or end of the term of this License, the Permit Fee shall be prorated based on the actual number of days in such month to be prorated. This License is not intended to, nor shall it be interpreted to, create or vest in Prop any leasehold or any other property rights or interests in the Wes McClure Boat Launch or Parking Area or the improvements located thereon, or any part thereof.

Prop acknowledges that the late payment of the Permit Fee will cause City to incur administrative costs and other damages, the exact amount of which would be impracticable or extremely difficult to ascertain. Prop and City agree that if City does not receive any such payment within ten (10) calendar days after such payment is due, Prop shall pay to City an amount equal to ten percent (10%) of the overdue amount as a late charge for each month or partial month that such amount remains unpaid. The Parties acknowledge that this late charge represents a fair and reasonable estimate of the costs that City will incur by reason of the late payment by Prop, but the payment of such late charge shall not excuse or cure any default by Prop under this License. The Parties further agree that the payment of late charges pursuant to this Section and the payment of interest pursuant to Section are distinct and separate from one another in that the payment of interest is to compensate City for the use of City's money by Prop, while the payment of a late charge is to compensate City for the additional administrative expense incurred by City in handling and processing delinquent payments, but excluding attorneys' fees and costs incurred with respect to such delinquent payments. Acceptance of any late fees and late charges shall not prevent City from exercising any of the other rights and remedies available to City under this License for any other default by Prop.

Any amount due from Prop to City which is not paid when due shall bear interest at the lesser of ten percent (10%) per annum or the maximum rate which City is permitted by law to charge, from the date such payment is due until paid, but the payment of such interest shall not excuse or cure any default by Prop under this License.

C. City agrees to provide non-exclusive access for use of parking spaces within the Parking Area, Monday through Friday between the hours of 5:00 a.m. and 7:00 p.m. in order to permit passengers of Prop to park their vehicles in the Parking Area. The Parties acknowledge that no specific number of parking spaces is guaranteed by this License. Prop's passengers shall only park in the Parking Area. Prop's passengers are prohibited from parking in any parking locations within the Shoreline Property that are not located within the Parking Area.

D. Prop shall not use or occupy, nor permit or cause, the Shoreline Property or any part thereof to be used or occupied for any unlawful, noisy, hazardous or illegal business, use or purpose, or for any business, use or purpose in violation of any present or future laws, ordinances or regulations of the City or any other federal, state or local governmental entity. Prop shall obtain and maintain in good standing all permits and entitlements from, and make all submittals required by, agencies with jurisdiction over Prop's contemplated activities under this License. Prop shall, at all times, conduct its activities hereunder in compliance with any and all said permits and entitlements and shall immediately notify the City, in writing, of any violation or notice of violation any permits or entitlements. In the event Prop violates or receives notice of violating any of the permits and entitlements, it shall take immediate action to cure or remedy the violation in accordance with applicable laws and/or the directives of the agency whose permit or entitlement has been violated.

E. Prop shall at all times keep the Shoreline Property free and clear of all liens and encumbrances affecting title to the Shoreline Property in connection with any work performed by the Prop under this License. Upon notice of any such lien or claim, Prop may bond and contest in good faith the validity and the amount of such lien, but Prop shall immediately pay any judgment rendered, shall pay all proper costs and charges, and shall have the lien or claim released at its sole expense.

F. Prop shall comply with all applicable state, federal and local laws, regulations, rules and orders, with respect to this License, including, without limitation, all Environmental Laws (defined in **Exhibit C**, attached hereto). Prop shall not cause or permit any Hazardous Material (defined in **Exhibit C**) to be generated, brought onto, used, stored, or disposed of in or about the Shoreline Property. Prop shall provide evidence of such compliance to City upon request.

## 2. Term of License

This License shall commence on the Effective Date and will expire on the first anniversary of the Effective Date (the "**Expiration Date**"). This License may be extended in writing for additional one-year terms upon mutual agreement of the Parties. Prop shall notify City in writing of Prop's desire to seek an extension ninety days prior to the Expiration Date, or any subsequent expiration date.

Prop acknowledges that City has entered into an exclusive negotiating rights agreement with Cal Coast Development, LLC for development of the Shoreline Property (the "**ENRA**"). Pursuant to the terms of the ENRA, the Shoreline Property may enter into a long-term lease and result in the loss of use or relocation of the Wes McClure Public Boat Launch. Changes to the use of the Shoreline Property may require modifications to, or termination of, this License.

Either Party may terminate this License without fault or penalty upon providing a thirty (30) days written notice to the other the other Party. City may also terminate this License Agreement by notice to Prop following Prop's breach of any of its obligations under this License. Termination for breach shall be effective upon Prop's receipt of notice from City. Prop's indemnity obligations set forth in this License survive termination of this License for any reason.

3. Conditions of Access
