Other Initiatives

SLIA
In process

Council presentation February 22 on proposed new 'smart' solar cans to be installed in the Downtown. Total of 13 stations to be installed in late March/early April. Funded by \$100K grant from Amazon.

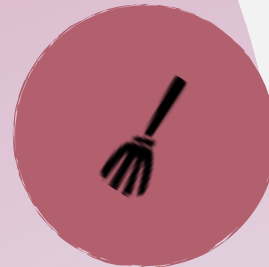

Bulky Pick-ups
TBD

The addition of more bulky pick-ups will need to be negotiated with the garbage franchisee. Significant scale-up costs (net new vehicles) are anticipated.

MOUs
TBD

City to explore MOUs (or other mechanisms) with UPRR, BART, and Alameda County Flood Control to coordinate clean-ups on their properties.

Sidewalks
TBD

City to explore costs associated with expanding sidewalk cleaning (by contractor) to other areas of the City.

DST
Coming Soon

City to start negotiations with DST in order to enter into contract for services. Council previously approved \$800K in ARPA (over 2 FYs).

Volunteers
Coming Soon/TBD

City to explore creation of Volunteer-led programs, such as *Love Your Block* or *Adopt-a-Block*. Part-time staff position budgeted, but not yet hired.
