## **To Whom It May Concern**

Dear Sir/Madam,

An instrument of beautification and community revitalization, Tiffany's Beauty Lounge would serve as an upscale and trendy hair and nail salon. Operating in the downtown area, we would provide an invaluable service to the city whilst enhancing the environs and its surrounding amenities. Employing professionalism, alacrity and an unparalleled standard of quality, we would endeavor to enhance the roster of social services available to the community through proper hair and nail care.

Our business offers a range of services including, but not limited to eyelash extension, full body waxing, permanent make-up, tanning laser hair removal a hair and nail salon and facial skin care. Operating between the hours of 9:30am and 7pm, our team of 5 would employ their expertise in delivering proper hair and nail care solutions tailored to our clients' needs. Our business would not generate unnecessary traffic and would not jeopardize surrounding businesses' ability to function. We would generate more customers for surrounding businesses such as restaurants, wholesales and supermarkets for those desirous of shopping for convenience regarding proximity to our business.

We encourage you to sincerely consider our appeal. Our talents and professionalism would flourish in the downtown area and serve to improve the roster of social services available there. We would bring with our establishment an upscale and luxurious aura conducive to generating business for surrounding establishments and revamping the downtown area in a most beneficial way.

Sincerely,

Duy Nguyen Le
