

2017 San Leandro Local Hazard Mitigation Plan

March 5, 2018

City Council Goals

- ▶ Place San Leandro on a firm foundation for long-term fiscal sustainability
- ▶ Advance projects and programs promoting sustainable economic development, including transforming San Leandro into a center for innovation
- ▶ Provide quality public safety service and grow our partnership with the community to keep San Leandro safe
- ▶ Maintain and enhance San Leandro's infrastructure
- ▶ Support and implement programs, activities and strengthen communication that enhances the quality of life and wellness, celebrates the arts and diversity and promotes civic pride

Pertinent Federal Hazard Mitigation Regulations

- ▶ Federal Disaster Mitigation Act of 2000 (DMA 2000)
- ▶ Rule (44 CFR Part 201, Section 201.6)
 - ▶ *Local jurisdictions must demonstrate that proposed mitigation actions are based on a sound planning process that accounts for the inherent risk and capabilities of the individual communities*
- ▶ Compliance with above regulations a pre-requisite for federal funding related to disaster mitigation and recovery

Hazard Mitigation History

- ▶ 2005 City Council adopts San Leandro's first LHMP
- ▶ 2010 Multi-jurisdictional plan adopted, in conjunction with ABAG
- ▶ 2015 internal update of LHMP starts
- ▶ 2017 LHMP submitted to CalOES -> FEMA
- ▶ 2018 Plan approved by FEMA - pending adoption by San Leandro City Council

Identified Hazard Mitigation Strategies

1. Point Source
