<sup>2</sup> The Kings are owners of real property located within the footprint of the Bayfair Mall that is being used for parking pursuant to a 1989 ground lease with the Mall developer, as amended. Amendments to the lease and other agreements have been entered into that purportedly require the Redevelopment Agency to guarantee lease payments to the Kings in the event of default. The developers (Bayfair 580, LLC c/o M & J Wikow of California, Ltd) gave notice to the parties on July 12, 2011 that Bayfair Sublessee LLC would not be making any further payments of rent to the Kings under the Sublease. The Kings have demanded payment from the parties, including the Redevelopment Agency, as a guarantor of the lease and payments there under. (Note: the validity of the lease is in dispute). If the Redevelopment Agency is ultimately responsible to guarantee the lease and make the payments, the liability could be consistent with the amounts shown above. The parties are in discussions and negotiations to attempt to resolve the issues, without litigation.
