Mike Bakaldin  
Director of Public Works  
City of San Leandro  
835 East 14<sup>th</sup> Street  
San Leandro, CA 94577-3767

Dear Mike:

As you are aware, the City of San Leandro (City) and Oro Loma Sanitary District (District) entered into an agreement (March 21, 2006) for refuse, green waste and recycling services in the area of the City commonly referred to as the "L3 Area", where said services are provided by the District through its franchise agreement with Waste Management of Alameda County (WMAC). Section I of the agreement provides that the District will take no action to extend the WMAC franchise beyond September 1, 2012 (or September 1, 2014, if the option to extend is exercised), without first providing written notification to the City at least one year prior to taking any action.

This letter serves as formal notification, as required by section I, that the District has initiated discussions to potentially renew its contract with WMAC prior to the current expiration date of September 1, 2012.

As part of the discussions with WMAC, the District will make best efforts to incorporate additional service levels, as requested by the City. I expect that we will continue our recent discussions related to these requests.

Please call me at (510) 276-4700 if you have any questions. I look forward to working with you in our existing partnership and mutual service to the community.

Sincerely,

Jason Warner  
General Manager
