Section 1. SERVICES. Subject to the terms and conditions set forth in this Agreement, Contractor shall provide to City the services described in the Scope of Work attached as Exhibit A at the time and place and in the manner specified therein. In the event of a conflict in or inconsistency between the terms of this Agreement and Exhibit A, the Agreement shall prevail.

- 1.1 **Term of Services.** The term of this Agreement shall begin on the Effective Date and shall end on December 31, 2023, the date of completion specified in Exhibit A, and Contractor shall complete the work described in Exhibit A on or before that date, unless the term of the Agreement is otherwise terminated or extended, as provided for in Section 8. The time provided to Contractor to complete the services required by this Agreement shall not affect the City's right to terminate the Agreement, as referenced in Section 8.
- 1.2 **Standard of Performance.** Contractor shall perform all services required pursuant to this Agreement in the manner and according to the standards observed by a competent practitioner of the profession in which Contractor is engaged.
- 1.3 **Assignment of Personnel.** Contractor shall assign only competent personnel to perform services pursuant to this Agreement. City shall pay Contractor for services rendered pursuant to this Agreement at the time and in the manner set forth herein. The payments specified below shall be the only payments from City to Contractor for services rendered pursuant to this Agreement. Contractor shall submit all invoices to City in the manner specified herein. Except as specifically authorized by City in writing, Contractor shall not bill City for duplicate services performed by more than one person.

- 2.2 Monthly Payment.** City shall make monthly payments, based on invoices received, for services satisfactorily performed, and for authorized reimbursable costs incurred. City shall have 30 days from the receipt of an invoice that complies with all of the requirements above to pay Contractor.
- 2.3 Final Payment.** City shall pay the last 10% of the total sum due pursuant to this Agreement within 60 days after completion of the services and submittal to City of a final invoice, if all services required have been satisfactorily performed.

City shall not pay any additional sum for any expense or cost whatsoever incurred by Contractor in rendering services pursuant to this Agreement. City shall make no payment for any extra, further, or additional service pursuant to this Agreement.

In no event shall Contractor submit any invoice for an amount in excess of the maximum amount of compensation provided above either for a task or for the entire Agreement, unless the Agreement is modified prior to the submission of such an invoice by a properly executed change order or amendment.

2.5 Hourly Fees. Fees for work performed by Contractor on an hourly basis shall not exceed the amounts shown on the compensation schedule attached hereto as Exhibit B.

2.6 Reimbursable Expenses. There are no reimbursable expenses.

2.7 Payment of Taxes. Contractor is solely responsible for the payment of employment taxes incurred under this Agreement and any similar federal or state taxes.

2.8 Payment upon Termination. In the event that the City or Contractor terminates this Agreement pursuant to Section 8, the City shall compensate the Contractor for all outstanding costs and reimbursable expenses incurred for work satisfactorily completed as of the date of written notice of termination. Contractor shall maintain adequate logs and timesheets to verify costs incurred to that date.

2.9 Authorization to Perform Services. The Contractor is not authorized to perform any services or incur any costs whatsoever under the terms of this Agreement until receipt of authorization from the Contract Administrator.

Section 3. FACILITIES AND EQUIPMENT. Except as set forth herein, Contractor shall, at its sole cost and expense, provide all facilities and equipment that may be necessary to perform the services required by this Agreement. City shall make available to Contractor only the facilities and equipment listed in this section, and only under the terms and conditions set forth herein. Contractor shall make a written request to City to use facilities or equipment not otherwise listed herein.

3.1 Safety Requirements. In accordance with generally accepted construction practices and state law, Contractor shall be solely and completely responsible for conditions on the jobsite, including safety of all persons and property during performance of the work. This requirement shall apply continuously and not be limited to normal working hours.

Contractor shall take all necessary precautions and provide all necessary safeguards to prevent personal injury and property damage. Contractor shall provide protection for all persons including, but not limited to, its employees and employees of its subcontractors;

members of the public; and employees, agents, and representatives of the City and regulatory agencies that may be on or about the work.

Contractor shall be solely responsible for compliance with all city, county, and state explosive transport, storage, and blasting requirements and for any damages caused by such operations.

Contractor is hereby informed that work on City property could be hazardous. Special care shall be exercised relative to work underground.

In addition to complying with all other safety regulations, Contractor shall abide by any and all other City requirements contained in any specifications, special conditions or manuals, which shall be made available by City upon request.

Contractor shall provide and maintain all necessary safety equipment such as fences, barriers, signs, lights, walkways, guards, and fire prevention and fire-fighting equipment and shall take such other action as is required to fulfill its obligations under this section. It is the intent of the City to provide a safe working environment under normal conditions. CONTRACTOR IS ADVISED THAT CITY'S OPERATIONS AND PROPERTY ARE INHERENTLY HAZARDOUS BECAUSE OF CONDITIONS SUCH AS CONFINED SPACES, POTENTIALLY EXPLOSIVE ATMOSPHERES, AND POSSIBLE EXPOSURE TO PATHOGENS.

Contractor shall maintain all portions of the jobsite in a neat, clean, and sanitary condition at all times. If required by the City, toilets shall be furnished by Contractor where needed for use of its employees and their use shall be strictly enforced. Contractor shall not use the City's existing sanitary facilities, unless previously authorized by the City.

Contractor shall maintain the insurance policies required by this section throughout the term of this Agreement. The cost of such insurance shall be included in the Contractor's bid. Contractor shall not allow any subcontractor to commence work on any subcontract until Contractor has obtained all insurance required herein for the subcontractor(s) and provided evidence to City that such insurance is in effect. All copies of Certificates of Liability Insurance and certified endorsements shall show the signature of a person authorized by that insurer to bind coverage on its behalf. If the City does not receive the required insurance documents prior to the Contractor beginning work, it shall not waive the Contractor's obligation to provide them. The City reserves the right to require complete copies of all required insurance policies at any time.

4.4.3 Deductibles and Self-Insured Retentions. Contractor shall disclose to and obtain the written approval of City for the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the City, its officers, employees, and volunteers; or the Contractor shall provide a financial guarantee satisfactory to the City guaranteeing payment of losses and related investigations, claim administration and defense expenses.

- Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;
- Order Contractor to stop work under this Agreement or withhold any payment that becomes due to Contractor hereunder, or both stop work and withhold any payment, until Contractor demonstrates compliance with the requirements hereof; and/or
- Terminate this Agreement.

Contractor shall indemnify, defend with counsel acceptable to City, and hold harmless City and its officers, officials, employees, agents and volunteers from and against any and all liability, loss, damage, claims, expenses, and costs (including without limitation, attorney's fees and costs and fees of litigation) (collectively, "Liability") of every nature arising out of or in connection with Contractor's performance of the Services or its failure to comply with any of its obligations contained in this Agreement, except such Liability caused by the sole negligence or willful misconduct of City.

Contractor shall also indemnify, defend and hold harmless the City from all suits or claims for infringement of any patent rights, copyrights, trade secrets, trade names, trademarks, service marks, or any other proprietary rights of any person or persons because of the City or any of its officers, employees, volunteers, or agents use of articles, products things, or services supplied in the performance of Contractor's services under this Agreement, however, the cost to defend charged to Contractor shall not exceed Contractor's proportionate percentage fault.

The Contractor's obligation to defend and indemnify shall not be excused because of the Contractor's inability to evaluate Liability or because the Contractor evaluates Liability and determines that the Contractor is not liable to the claimant. The Contractor must respond within 30 days, to the tender of any claim for defense and indemnity by the City, unless this time has been extended by the City. If the Contractor fails to accept or reject a tender of defense and indemnity within 30 days, in addition to any

other remedy authorized by law, so much of the money due the Contractor under and by virtue of this Agreement as shall reasonably be considered necessary by the City, may be retained by the City until disposition has been made of the claim or suit for damages, or until the Contractor accepts or rejects the tender of defense, whichever occurs first.

Notwithstanding the forgoing, to the extent this Agreement is a "construction contract" as defined by California Civil Code Section 2782, as may be amended from time to time, such duties of Contractor to indemnify shall not apply when to do so would be prohibited by California Civil Code Section 2782.

If this Agreement involved construction or maintenance then all provisions of this Agreement pursuant to which Contractor agrees to indemnify the City against liability for damages arising out of bodily injury to persons or damage to property relative to the construction, alteration, repair, addition to, subtraction from, improvement to, or maintenance of, any building, road, or other structure, project, development, or improvement attached to real estate, shall not apply to damages caused by or resulting from the active or sole negligence or willful misconduct of the City. The indemnifications provided herein shall not be limited to damages, compensation or benefits payable under insurance policies, workers' compensation acts, disability benefit acts, or other employees' benefit acts.

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of City, Contractor shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Section 6. STATUS OF CONTRACTOR.

City shall have the right to control Contractor only insofar as the results of Contractor's services rendered pursuant to this Agreement and assignment of personnel pursuant to Subsection 1.3; however, otherwise City shall not have the right to control the means by which Contractor accomplishes services rendered pursuant to this Agreement. Notwithstanding any other City, state, or federal policy, rule, regulation, law, or ordinance to the contrary, Contractor and any of its employees, agents, and subcontractors providing services under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any and all claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in the California Public Employees Retirement System (PERS) as an employee of City and entitlement to any contribution to be paid by City for employer contributions and/or employee contributions for PERS benefits.

Similarly, unless authorized by the Contract Administrator, City shall have no obligation to reimburse Contractor for any otherwise reimbursable expenses incurred during the extension period.
- 8.3 Amendments.** The Parties may amend this Agreement only by a writing signed by all the Parties.

SCOPE OF SERVICES

As part of the training experience offered to student participants in Contractor's internship program ("Year Up Internship Program" or the "Program"), Contractor will place up to 18 workforce development interns to various City of San Leandro departments for the purpose of providing on-the-job training to the students as part of their educational experience ("Services"). The purpose and intent of the Year Up Internship Program is to provide on-the-job training to students who are concurrently enrolled in the Year Up Program, a non-profit experiential training program. Each Intern is either enrolled in a formal program at an accredited college during the Internship experience or is eligible to receive college credit recommendations upon successful Year Up course completion. Contractor and City agree and understand that: the training offered the Interns is similar to that which would be given in an educational environment, including hands-on training; the training is fundamentally for the benefit of the Interns; the Interns will not displace regular employees, and will work under the close observation of regular employees; the Interns are not entitled to a job with City at the conclusion of the training period; the Interns and City understand that the Interns are not entitled to wages for the time spent in training. Moreover, as part of the Interns' training program, they attend a weekly educational seminar about their training at the Year Up site. No intern shall be expected or required to participate in training in excess of 36 total hours in any work week.

Interns will be assigned to project-based and time-bound assignments. City departments have the exclusive right to screen the intern applicants by way of the City's standard background check and oral interview process. Interns will be placed in the following departments: City Manager's Office, Finance, Information Technology, Human Services, Library, Police, Public Works, Recreation. Interns will be placed for a 6-month period. City has discretion to dismiss or remove any intern from an assignment or Department at any time for any reason, or no reason. Because each Intern is participating in an educational training program, s/he is not considered an employee of Year Up or City. Each Intern receives a weekly educational stipend, paid directly by Year Up. The Intern shall not be expected to, or entitled to, participate in direct compensation, health or disability insurance, retirement benefits, or other company welfare or pension benefits (if any) to which employees of City may be entitled.

Year Up provides its program participants with the opportunity to develop essential career readiness and business skills, build foundational technical capabilities, and complete an immersive, work-based experience with a leading employer partner. Throughout the entirety of their program, participants receive ongoing coaching and have access to a robust offering of services and supports to promote their success.

EXHIBIT B
COMPENSATION SCHEDULE

WORKFORCE DEVELOPMENT INTERNSHIPS - \$600,000

Contractor will receive compensation for providing workforce development interns.

The cost to place one intern is \$29,700.

Invoices will be sent according to the schedule below, and the City will submit payment no later than 30 days after receipt of invoice from Year Up:

(1) An invoice for the amount of \$14,850, or 50% of the total payment will be sent within 30 days of the Internship Start Date

(2) A second and final invoice for the amount of \$14,850, or 50% of the total payment will be sent within 90 days of the Internship Start Date

In the unlikely event that an intern leaves the program prior to the anticipated end date of the internship, Year Up will apply a credit to the account, based on a pro rata basis based on number of weeks completed. Notwithstanding the foregoing, if the intern's early departure results from Internship Partner hiring the intern, no credits will apply and the Program Fee will be immediately due and payable in full.

There are no reimbursable expenses.

REQUIREMENTS RELATED TO THE COVID-19 PANDEMIC AND THE CITY OF SAN LEANDRO'S EMERGENCY DECLARATION

The novel coronavirus ("COVID-19") has been declared a worldwide pandemic by the World Health Organization. The City of San Leandro is currently in a local emergency and state of emergency due to the COVID-19 pandemic.

COVID-19 is extremely contagious, and is believed to spread mainly from person-to-person contact, through touched surfaces, and in airborne particles. The City has taken steps and put in place preventative measures recommended by federal, state, county, and local health agencies to reduce the spread of COVID-19. These measures include steps each person must take to prevent the spread of COVID-19 and include, but are not limited to, requiring face coverings, frequent hand washing and/or use of hand sanitizer, social distancing where possible, limiting of person-to-person contact, frequent cleanings of high-touch surfaces, and avoiding entering any building if they have COVID-19 symptoms.

Contractor shall obey all local orders and abide by all applicable preventative measures recommended by federal, state, county and local health agencies and any preventative measures specifically implemented by the City. This includes, but is not limited to, the guidance for best construction practices published by California Department of Public Health and Cal OSHA, Alameda County Order 20-14a Appendix B1 (Updated Small Construction Safety Protocol), and Appendix B2 (Updated Large Construction Safety Protocol), and all other applicable orders and guidance promulgated by federal, state, and local government agencies. In addition, Contractor agrees when entering any City buildings, Contractor will follow all COVID-19 related signage, wear a face covering, follow all social distancing protocols, and abide by any other COVID-19 preventative measure that are in place when performing the services described in this Agreement. Contractor shall also adhere to any subsequently communicated COVID-19 preventative measures as directed by City staff. The COVID-19 preventative measures are subject to change over time, and Contractor shall maintain knowledge of and adhere to the current COVID-19 preventative measures when interacting with City employees, officials, volunteers, agents, and representatives, when entering City buildings, and while performing the services described in this Agreement.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, City of San Leandro (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
