

Noticing Regulations

- ☑ § 5.08.116 **Notice and Public Hearing.**
- A. Public Hearing Required. The Planning Commission shall hold a public hearing on an application for a use permit or variance.
- B. Notice. Notice of the hearing shall be given in the following manner:
 1. Mailed or Delivered Notice. At least ten days prior to the hearing, notice shall be: (a) mailed to the owner of the subject real property or the owner's duly authorized agent, and the project applicant; (b) all owners of property within 500 feet of the boundaries of the site, as shown on the last equalized property tax assessment roll or the records of the County Assessor or Tax Collector; and (c) any agency as required by **Government Code** Section 65091.
 2. Posted Notice. For hearings directly relating to an identifiable property, notice shall also be given by posting at least three public notices, thereof, at least ten days prior to such hearing, including at least one such notice on or within 500 feet of the subject property.
 3. Published Notice. Notice shall be published once in a newspaper of general circulation in San Leandro at least ten days prior to the hearing.
 4. No proceeding in connection with the hearing shall be invalidated by failure to send notice where the address of the owner is not a matter of public record or by failure to post public notices or by failure to receive any notice.
 5. Supplemental On-Site Notice. For projects that the Community Development Director determines may have a significant impact on adjacent uses or may generate significant public concerns, the Director may require that the applicant and/or property owner erect an on-site public notice sign, minimum three feet by five feet in size and six feet in height that provides a description of the proposed project, the date, time, and place of scheduled public hearing(s), the name of the project proponent, and other information as required to clarify the project proposal. Such sign shall be subject to review and approval of the Community Development Director and shall be installed at a prominent location on the site a minimum of ten days prior to the scheduled public hearing.
- C. Contents of Notice. The notice of public hearing shall contain:
 1. A description of the location of the development site and the purpose of the application;
 2. A statement of the time, place, and purpose of the public hearing;
 3. A reference to application materials on file for detailed information; and
 4. A statement that any interested person or an authorized agent may appear and be heard.
- D. Multiple Applications. When applications for multiple use permits or variances on a single site are filed at the same time, the Zoning Enforcement Official may schedule a combined public hearing.
