RECITALS

WHEREAS, the City desires to continue to employ, as an “at will” employee, Mr. Chris Zapata, as City Manager for the City of San Leandro in accordance with applicable provisions of the City of San Leandro Charter, the City of San Leandro Municipal Code, and the terms of this Agreement; and

WHEREAS, Manager desires to be employed as the at-will City Manager for the City in accordance with applicable provisions of the City Charter, the Municipal Code, and the terms of this Agreement; and

WHEREAS, it is the desire of the City Council to provide certain compensation and benefits, and establish certain conditions of employment for the position of City Manager through this Agreement.

NOW THEREFORE, in consideration of the mutual covenants herein contained, the parties agree as follows:

TERMS

1. Appointment of City Manager

Pursuant to an agreement executed January 17, 2012, Mr. Zapata’s appointment to the position of City Manager for the City of San Leandro went into effect January 30, 2012. On January 20, 2015, the City Council approved an extension to the term of the agreement to July 30, 2015. On [_____], the City Council approved a new Agreement for Employment of City Manager, to be effective January 30, 2015. By execution of this Agreement, Manager accepts such appointment under the terms and conditions provided herein.

2. Term of Agreement

This Agreement is effective January 30, 2015. This Agreement will expire on January 30, 2020, unless extended or terminated as provided herein. The parties to this Agreement may terminate this Agreement pursuant to the provisions of Section 6.

3. At-Will Employment

Manager is an “at-will” employee who shall serve at the pleasure of the City Council. The City Council may terminate Manager’s employment under this Agreement, at any time, with or without cause. This provision may not be altered except by a written instrument executed by Manager, and formally approved by the City Council, which specifically references this Agreement and this Section.

4. Duties and Responsibilities

a. Manager shall serve as the City Manager of the City in accordance with the powers, duties, and responsibilities set forth in the City of San Leandro Charter, the Municipal Code, and California law. Manager shall perform the functions and execute the duties specified by the laws of the State of California; the City’s Charter; the City’s Municipal Code; the City’s Ordinances and Resolutions; and such other functions and duties as the City Council may from time to time assign.

b. Manager agrees to devote his productive time, ability, and attention to the City’s business. For the duration of this Agreement, Manager shall not hold secondary employment, and shall be employed exclusively by the City, subject to any exceptions approved in writing by the City Council.

c. Manager shall be responsible to the City Council for the proper administration of all affairs of the City. Manager shall administer and enforce policies established by the City Council, and promulgate rules and regulations as necessary to implement City Council policies.

5. Hours of Work

Manager shall be an exempt employee under FLSA and shall not receive overtime or extra compensation for work performed outside of normal City business/office hours. Manager is appointed to manage the City’s business with twenty-four hour and seven days a week responsibility and is expected to devote necessary time outside normal office hours to the business of the City. Thus, Manager’s schedule of work each day and week may vary in response to the requirements of the work to be performed. However, Manager is expected to spend sufficient hours at San Leandro City Hall to perform his duties. City shall provide Manager, at City’s cost and expense and Manager’s sole discretion to use or accept, any and all equipment, communication devices including a smartphone and tablet, a vehicle including but not limited to gasoline and insurance with coverages recommended by the City’s Finance Director, and other implements reasonably necessary for Manager to carry out his duties in accordance with this Section.

6. Termination of Employment and Severance

a. Manager may terminate this Agreement and his employment with the City with or without cause, by giving the City one hundred eighty (180) days written notice in advance of termination. During the notice period, all of the rights and obligations of the parties to this Agreement shall remain in full force and effect.

b. The City Council may terminate this Agreement and Manager's employment with the City with or without cause at any time. For purposes of this Agreement, the phrases "for cause" or "with cause" relate only to Manager's potential entitlement to severance, and do not alter his at-will employment status. Pursuant to California Government Code section 53243.2, regardless of the term of this Agreement, if this Agreement is terminated, any cash settlement related to the termination that Manager may receive from City shall be fully reimbursed to the City if Manager is convicted of a crime involving an abuse of his or her office or position.

c. In the event City terminates Manager's employment without cause, the Manager shall be entitled to severance pay of a lump sum payment equal to six (6) months of Annual Base Salary and benefits, as described in Section 7 of this Agreement. Said payment of severance pay shall be conditioned upon Manager signing a waiver and release agreement forever releasing and waiving any and all claims in a form acceptable to the City. Manager shall receive the severance payment in a lump sum payment minus all applicable deductions fifteen (15) business days after execution of the waiver and release agreement. Manager shall not receive any severance payments if such a waiver and release agreement is not executed by the parties.

d. Manager shall receive payment for all accrued unused vacation at the time of his separation from employment.

e. If Manager is terminated "for cause," the City shall not owe any severance under this Agreement. The determination about whether Manager is terminated "for cause" shall be made in the complete discretion of the City. A termination "for cause" may include, but shall not be limited to, the following:

- (i) Violation of administrative policies and procedures;
- (ii) Failure to properly perform assigned duties;
- (iii) Theft of City property;
- (iv) Insubordination;
- (v) Conviction of a felony;
- (vi) Conviction of a misdemeanor relating to Manager's fitness to perform assigned duties;
- (vii) Conviction of a crime involving an abuse of office or position, as defined in California Government Code section 53243.4;
- (viii) Unauthorized absence from employment;
- (ix) Improper use of City funds;
- (x) Unauthorized use of City property;

- (xi) Willful misconduct or malfeasance;
- (xii) Any act of moral turpitude or dishonesty; and
- (xiii) Other failure of good behavior either during or outside of employment such that the Manager's conduct causes discredit to the City.

f. Removal of Manager by the City shall be effected only by a majority vote of the whole City Council as constituted and convened in a regular City Council meeting. However, pursuant to section 400 of the City Charter, Manager shall not be removed from the position of City Manager without cause during or within a period of ninety (90) days succeeding any regular or special municipal election held in the City at which election a member of the City Council is elected; the purpose of this provision is to allow any newly elected member of the City Council or a reorganized City Council to observe the actions and ability of Manager in the performance of the powers and duties as City Manager.

7. Compensation and Benefits

a. The City Council acknowledges that on January 30, 2012, the effective date of the City's first agreement with Manager, the City Council and Manager agreed that Manager's annual base salary ("Annual Base Salary") would be two hundred twenty-three thousand dollars and no cents (\$223,000.00). The parties agree that effective January 30, 2015, Manager's Annual Base Salary of \$223,000.00, which has remained unchanged since January 30, 2012, shall be adjusted automatically and every year thereafter during the term of this Agreement by the Consolidated Metropolitan Statistical Area (CMSA) Consumer Price Index San Francisco, Oakland, and San Jose (commonly known and referred to as the "CPI"). However, if the CPI for a particular year is a negative number, then Manager's Annual Base Salary shall remain equal to the then current adjusted Annual Base Salary for the immediately preceding year. The City Council shall review and evaluate Manager's performance through the term of this Agreement pursuant to the provisions of Section 13. The City Council may consider adjusting Manager's Annual Base Salary every year, but no less than the annual adjustment attributable to the CPI described herein, subject to a performance evaluation.

(i) As approved by the City Council on November 19, 2012, and effective January 1, 2013 to December 31, 2017, the City Council acknowledges that Manager voluntarily contributes twenty thousand dollars (\$20,000.00) per year (at \$10,000.00 each) of his Annual Base Salary of \$223,000.00 towards the salaries of the Police Chief and the Assistant City Manager, respectively. The Manager's voluntary contribution creates for him an effective base salary of \$203,000.00 (the Manager's "Effective Base Salary").

The City Council hereby agrees that Manager is entitled to the return – on a pro rata basis – of voluntary contribution made towards the annual base salaries of the Police Chief and the Assistant City Manager, respectively, if the employment of either or both persons as the Police Chief and Assistant City Manager terminates before the end of the terms of their respective employment agreements. In such an instance, the pro rata return of Annual Base Salary shall be paid back to Manager through his regular salary distribution.

Manager's voluntary commitment to contribute \$20,000 of his Annual Base Salary towards the salaries of the Police Chief and the Assistant City Manager shall automatically terminate on December 31, 2017, which coincides with the expiration of the terms of the Police Chief and Assistant City Manager's respective employment agreements. Effective January 1, 2018, Manager's Annual Base Salary shall be equal to the previous year's Annual Base Salary multiplied by the CPI, as provided in Section 7.a. For reference purposes only, and assuming that the Police Chief and the Assistant City Manager continue as employees of the City until the expiration of their employment agreements, the parties provide the following calculation as an example of how Manager's Effective Base Salary will phase out and into the Annual Base Salary identified in Section 7.a.:

Year 1: Annual Base Salary of \$223,000.00 (x) CPI	= 2015-2016 Annual Base Salary
	Less: (\$20,000 voluntary contribution)
	<u>= 2015-2016 Effective Base Salary</u>
Year 2: 2015-2016 Annual Base Salary (x) CPI	= 2016-2017 Annual Base Salary
	Less: (\$20,000 voluntary contribution)
	<u>= 2016-2017 Effective Base Salary</u>
Year 3: 2016-2017 Annual Base Salary (x) CPI	= 2017-2018 Annual Base Salary
	Less: (\$20,000 voluntary contribution)
	<u>= 2017-2018 Effective Base Salary</u>
(Commitment to make Voluntary Contribution terminates December 31, 2017)	
Year 4: 2017-2018 Annual Base Salary (x) CPI	<u>= 2018-2019 Annual Base Salary</u>
Year 5: 2018-2019 Annual Base Salary (x) CPI	<u>= 2019-2020 Annual Base Salary</u>

(ii) Within fifteen (15) days of the execution of this Agreement, City shall pay Manager a one-time lump sum payment of twenty-two thousand three hundred dollars and zero cents (\$22,300.00) in recognition of the City Manager's performance during the term of this Agreement. If Manager's employment is terminated in accordance with Section 6 prior to the end of the five year term of this Agreement, with or without cause, Manager shall reimburse City the aforementioned lump sum payment on a pro-rata basis.

b. In addition to the compensation provided above, the City agrees to provide the following to Manager in consideration for the services provided pursuant to this Agreement:

(i) Except as otherwise provided for in this Agreement, the City shall provide Manager the same benefits as provided to management employees and as those may be amended from time to time. Benefits for Manager include, but are not limited to, twenty-five (25) days of annual vacation leave (16.66 hours per month, accruable up to a maximum of three years), twelve (12) days of annual sick leave, management incentive pay of 120 hours per calendar year paid equally at each pay period, holidays, health insurance, dental insurance, life insurance, management development allowance, and retirement benefits (including the credit for unused sick leave option) and payments, as more particularly set forth in this Agreement. Manager shall have the option of converting all or a portion of management incentive pay to time off. Accumulated vacation leave may be sold back to the City in January and July.

(ii) Manager shall be eligible for CalPERS retirement benefits upon the same terms as those benefits are provided for City employees covered by the Local Miscellaneous Members group classification for purposes of CalPERS. Pursuant to this Agreement, Manager agrees to voluntarily reimburse or otherwise make payment to the City in the total amount currently paid by the City as the employee share of CalPERS benefits (employer paid member contributions-EPMC) for employees covered by the Local Miscellaneous group classification. Manager shall make such voluntary payments until such time as a resolution of the City Council is adopted to amend the City's CalPERS plan, as appropriate, to authorize Manager to pay the EPMC.

(iii) The City agrees to contribute one thousand five hundred dollars and zero cents (\$1,500.00) per month towards medical, dental and vision benefits for the term of this Agreement. Any remainder of the benefit after paying for medical, dental and vision benefits shall be taken by Manager as cash in lieu. The parties understand and agree that any portion of the benefit taken by Manager as cash is not considered to be "PERS-able compensation."

The City shall provide a defense in accordance with California Government Code section 995.
