Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

In response to the Coronavirus Pandemic (COVID-19), the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136 was adopted and authorized on March 27, 2020. As a result, the U.S. Department of Housing and Community Development (HUD) awarded the City of San Leandro \$451,972 in Community Development Block Grant-Coronavirus (CDBG-CV) funds to prevent, prepare for, and respond to COVID-19. The CARES Act allows for reimbursement of costs incurred prior to the date of enactment of this legislation in addition to removal of the spending caps normally in place for Public Services expenditures as long as those costs are in response to COVID-19. (Note that the removal of the Public Services expenditure caps are only allowed for the 2019-2020 and 2020-2021 Annual Action Plan Program Years.) Additionally, the CARES Act allows HUD to waive or specify alternative requirements to expedite distribution of funding in response to COVID-19. Soon after the signing of the CARES Act, HUD issued guidance that allows cities to shorten the public comment period for amending prior 5-Year Consolidated Plans or Annual Action Plans to maximize the use of CDBG and CDBG-CV funds allocated to entitlement jurisdictions. Note that specific administrative changes to Citizen Participation will be reflected in Amendments to the Citizen Participation Plan that will be proposed in tandem with this document.

On April 13, 2020, the City of San Leandro received a waiver that permits a reduced period for public noticing and public comment on this amendment to the 2019-2020 Annual Action Plan for the period of July 1, 2019 to June 30, 2020. The City is taking this opportunity to re-allocate prior year unspent CDBG funds and program new stimulus funding, CDBG-CV, towards COVID-19 emergency services. The City may also allocate additional funds as they are available.

This amendment to the San Leandro's 2019-2020 Annual Action Plan summarizes Citizen Participation and Public Comment and expected resources to address COVID-19 related impacts. Additionally, it will identify how the City plans to use available funds by updating its annual goals and objectives and the related projects targeted for funding to address COVID-19. The updated sections of this annual planning document necessary to implement these changes to allocations and appropriations of these funds include:

- Summary of Citizen Participation
- AP-10 Consultation

- AP-12 Participation
- AP-15 Expected Resources
- AP-20 Annual Goals and Objectives
- AP-35 Projects
- AP-38 Project Summary

One final note on this Substantial Amendment, the Federal Register and final guidance from HUD has not been provided. This Substantial Amendment is drafted with the guidance from HUD available to date, including that the CDBG-CV funds allocated under the CARES Act must be used in preparation for, prevention of, and response to COVID-19. All CDBG-CV activities must still meet one of three National Objectives of the CDBG Program noted in the original five year Consolidated Plan document. The City of San Leandro is taking this opportunity to document COVID-19 as an additional National Objective: Urgent Need. In order to do this, an Urgent Need Certification must be provided to HUD with the five year Consolidated Plan and Annual Action Plan for the year of the Urgent Need activity(ies). Documentation and evidence the City certified that the CDBG activity was designed to address the urgent need must be maintained as part of the permanent CDBG records for the activity(ies).

Summary of Citizen Participation Process and consultation process

As noted earlier, On April 13, 2020, the City of San Leandro received a waiver that permits a reduced period for public noticing and public comment on this Substantial Amendment to the Annual Action Plan for the period of July 1, 2019 to June 30, 2020. The City is taking this opportunity to re-allocate prior year unspent CDBG funds and program new stimulus funding, CDBG-CV, towards COVID-19 emergency services. The City may also allocate additional funds as they are available.

The draft Substantial Amendment to the 2019-2020 Annual Action Plan will be available for comment from all interested parties from June 2, 2020 to June 7, 2020. Due to the Alameda County Shelter-In-Place Order these amendment documents shall only be available for review on the City's website (<http://www.sanleandro.org/depts/cd/housing/plans.asp>) or the Library website (<https://www.sanleandro.org/depts/library/default.asp>).

The needs in this document were derived from preliminary data from the impacts of COVID-19 which indicate significant unmet needs in many areas of potential CDBG and CDBG-CV funding categories. The City of San Leandro is considering the following eligible activities for this funding for current and/or future funding that may become available: assisting low- and moderate-income households with housing rental assistance for no more than three months, food pantry/distribution/delivery meal programs, business assistance (technical assistance, financial

support to microenterprises or funding to retain employees that are low- and moderate-income), and support of other COVID-19 response services.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

This section of this Annual Action Plan documents the interagency coordination, consultation, and public participation that informs the Substantial Amendment to five year Consolidated Plan. Those consultations began once the City complied with the Alameda County Shelter-In-Place order issued on March 16, 2020. City staff, including the City's Office of Emergency Management staff, have been in frequent consultation with the Alameda County Department of Public Health to consult on the nature of the need in the County for which CDBG-CV funds are to be used. Additionally, non-profit agencies currently operating homeless shelters and providing services San Leandro's low-moderate-income residents have been consulted to determine the highest and best needs for the CDBG-CV funds.

Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

In response to the Coronavirus Pandemic (COVID-19), the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136 was adopted and authorized on March 27, 2020. As a result, the U.S. Department of Housing and Community Development (HUD) awarded the City of San Leandro \$451,972 in Community Development Block Grant-Coronavirus (CDBG-CV) funds to prevent, prepare for, and respond to COVID-19.

Anticipated Resources

In addition to prior year unused funds identified in the FY 19-20 Annual Action Plan in the amount of \$364,991 there were additional unused prior year funds that had been allocated to the ADA Transition Plan since FY 12-13 (specifically the following fiscal years: 12-13, 13-14, 14-15, 17-18, and 18-19). As of the beginning date of this Annual Action Plan Program Year (July 1, 2019) the City of San Leandro has unspent and reserved for the ADA Transition Plan \$508,840. Given the gravity of need and the ability to do so under the auspices of the CARES Act, the City plans to use a portion of these funds to address public service needs in response to COVID-19. The total amount of available prior year resources amount to \$873,831. After all of the funding recommendations for the FY 2019-2020 Annual Action Plan Substantial Amendment are adopted, there will be a total of \$476,189 unallocated.

AP-35 Projects - 91.420, 91.220(d)

Introduction

CDBG funds can be used for four (4) general types of projects: housing, capital projects, economic development, and public services. All projects must meet at least one (1) of HUD's national objectives: 1) to benefit low/moderate-income people; 2) to prevent or eliminate slums and blight; and 3) to meet an urgent community development need.

Even if a project is suitable for one of the City's eligible categories, it must also pass the low- and moderate-income benefit test. A project meets this standard if at least 51% of the beneficiaries have low-moderate incomes (i.e., incomes at or below 80% of Area Median Income) or if the project benefits an area (e.g., census tracts, service area, neighborhood, etc.) with a majority of low-moderate income people. Funded projects are required to document the income levels of persons and households receiving these services.

After assessing the City's housing and community development priority needs, evaluating the Five-Year Strategic Plan objectives for FY 2015-2019, and analyzing CDBG eligibility criteria, the City is proposing to allocate its available CDBG dollars in the following eligible funding categories: Public Services, Public Facilities, Housing Activities, and General Administration.

San Leandro allocates its annual federal CDBG and HOME funds to address the City's housing and community development needs identified in the City's FY 2015-2019 Five-Year Consolidated Plan.
