Council District 1

Council District 3

Council District 5

Thereafter, members appointed pursuant to Section 1-3-110 may hold office up to four (4) years. District Members shall terminate upon the expiration of the regular term of the Council Member representing the Council Member District from which the District Member was appointed.

MEETINGS

Meetings of the Bicycle and Pedestrian Commission shall be held at least twice a year and on as-needed basis.

POWERS AND DUTIES

Vision Statement: San Leandro will be a connected community where walking and biking are fully integrated into daily life as safe, equitable, and enjoyable transportation options for people of all ages and abilities.

The Commission shall advise staff and the Council on matters related to and condition of bicycle and pedestrian travel within the City. In discharge of this responsibility, the Commission shall:

- (a) Advise staff and the Council on the development and updates to the Transportation Element of the General Plan and the Bicycle and Pedestrian Master Plan;
- (b) Provide citizen oversight on the implementation of the San Leandro Bicycle and Pedestrian Master Plan;
- (c) Recommend project development funding and priorities;
- (d) Assist staff in reviewing implementation plans;
- (e) Participate in outreach and educational efforts;
- (f) Provide comments on pending legislation affecting bicycle and pedestrian travel within the City.
