

ANNUAL STREET PAVING 21-23
STREET SUMMARY – PAVEMENT REHABILITATION
CITY PROJECT NO: 2022.0050

The scope of work on this construction contract includes pavement rehabilitation across 5 street sections comprised of 1 residential collector and 4 local streets located throughout the City. The treatments consist of a mill & overlay on 2 of those street sections and a full-depth reconstruction on 3 of the street sections.
