WHEREAS, the San Leandro Police Department is committed to increasing its transparency and accountability by supplementing their current Body Worn Cameras with Mobile Audio and Video (MAV) cameras; and

WHEREAS, MAV systems, in addition to body worn camera videos, offer an unbiased view of the interaction between Department members and the community; and

WHEREAS, Automatic License Plate Reader (ALPR) cameras have enhanced and aided crime prevention and criminal investigations by discouraging criminals, alerting law enforcement to stolen or wanted vehicles, and providing investigators with data on vehicles located within specified areas of the City of San Leandro; and

WHEREAS, staff recommends a sole source finding under Cal. Public Contract Code section 3400 and determination under San Leandro Municipal Code Section 1-6-315 that the purchase serves the best interests of the City without competitive bidding to purchase up to thirty-eight (38) Axon Fleet 3 MAV cameras; and

WHEREAS, staff recommends executing an agreement for the purchase of thirty-eight (38) Axon Fleet 3 MAV cameras with Axon Enterprises, Inc. for a contract term date of five years from the date of execution; and

WHEREAS, this project will not exceed a cost of \$544,315.75 over a five-year period, which requires no adjustment to the FY2023-2024 (Account number 150-21-011-5311) or FY2024-2025 (010-21-002-5311) Adopted Budget. The Police Department will request appropriations for FY 2025-2026, FY 2026-2027, and FY 2027-2028 to continue to fund this project.

That a sole source funding is justified under Cal. Public Contract Code section 3400 to field test the products for future use, and to match other products currently in use, and it is determined under San Leandro Municipal Code §1-6-315 that this purchase serves the best interests of the City without competitive bidding because of the unique features, including portability and scalability, of the products and because of the compatibility and consistency of the proposed system with systems currently in use; and
