**RECREATION AND PARKS
DEPARTMENT UPDATE**

Recreation and Parks Commission
June 3, 2026

RECREATION & HUMAN SERVICES HISTORY

- **Pre-2022:** Recreation & Human Services Department
- **March 2022:** City announced formation of stand-alone Human Services Department, based on community feedback on how the City of San Leandro can better serve the most at-risk residents
- Recreation & Parks Department and Human Services Department established as standalone departments
- Senior Services stayed with Human Services Department to fill out scope of Department

BENEFITS OF REORGANIZATION

- **Centralized Services:** Recreation becomes the "one-stop shop" for all direct community services and facility reservations
- **Human Services prioritization:** Elevates Human Services work to CMO
- **Maximized Impact:** Increases Recreation's capacity to expand programs and build stronger community partnerships (in alignment with Recreation & Parks Master Plan)
- **Efficiency:** Streamlines the organizational structure while strengthening Recreation leadership to improve coordination, decision-making, and service delivery
- **Cost savings:** By consolidating leadership and streamlining the departmental structure, the City will achieve approximately \$350,000 in annual cost savings
