

San Leandro Disaster Council Goals/Projects for 2012 and 2013

(This list indicates the results of those voting at the April meeting to set priorities.)

- Create a directory of critical emergency response partners and partners within the Disaster Council and share with all members. (10)
- Identify active CERT groups in San Leandro. Expand CERT to all neighborhoods. (5)
- Provide copies of emergency plans and emergency contact rosters for all Disaster Council members and share with all members. (6)
- Share information about redundant information and communication systems used by the member agencies. (3)
- Establish a training calendar listing trainings being offered by member agencies and emergency response partners. (ACFD will provide updates)
- Provide a table-top exercise for HAM/RACES radio operators from member agencies. Report to the Disaster Council when trainings occur. (1)
- Schedule an overview of the HAM/RACES/AERES operations with member agencies. (7)
- Coordinate a full functional EOC exercise to coincide with the next county-wide exercise. (6)
- School Preparedness (11 overall; * denotes priority within category):
 - Help schools to organize fundraising for emergency supplies for schools and for education materials for families. *(9)
 - Reach out to charter and private schools to include them in the Disaster Council. *(2)
 - Schedule a presentation by Roosevelt School and parents' group to hear about their preparedness planning.
 - Discuss non-traditional ways of addressing the need for emergency preparedness support for the schools and students. *(1)
