Notes

- [1] Note: For small tenant improvements to existing buildings and ADUs, the Chief Building Official and/or the Community Development Director may waive the Community Planning Fee at his/her discretion.
- [2] Community Planning Fee will not be charged for the following project types: permits for accessory dwelling units; stand-alone mechanical, plumbing, and electrical permits; minor residential remodels, and; minor tenant improvements.
- [3] DEPOSITS AND DEPOSIT REPLENISHMENT: Applicants for applications requiring initial deposits shall pay for all City staff time at adopted hourly rates listed in the Master Fee Schedule, legal costs, as well as any costs for consultants required to process the application. An agreement for Payment of Fees for Application Processing shall be submitted with the project application. Initial deposits, as shown on the fee schedule, will be collected, and held by the City in a deposit account at the time the application is submitted. The cost of City staff time, legal costs, and consultant costs as applicable will be drawn from the deposit account. A positive account balance shall be maintained at all times during the application review process. No work will be performed on a project with a negative fund balance. If the deposit is reduced below 20% of the initial deposit amount, the applicant will be notified and required to supplement the deposit account with an additional amount no less than 50% of the original amount. When more than one application requiring a deposit is submitted, the sum total of the initial deposit amount can be reduced by 20%. Projects outside the scope of this fee schedule will be subject to a full cost reimbursement agreement with an initial deposit based on cost estimates for both City staff time, legal, and consultant services on a defined scope of work. Funds expended for staff time shall not be dependent upon the City's approval or disapproval of the application request. The deposit account will be held open for 90 days after project approval for the City to complete any miscellaneous clean-up items and to account for all project-related costs. Any deposit amounts
- [4] As may be required by the Community Development Department for project evaluation or environmental review, all payment for consultant work shall be the responsibility of the applicant and must be paid in advance.
- [5] Note for all fees: In addition to City of San Leandro fees, applicant is responsible for any applicable fees imposed by other agencies, such as county filing fees, LAFCO fees, Department of Fish and Wildlife Fees, etc.
- [6] Note: For minor alterations that trigger Administrative Site Plan Review, the Community Development Director may, at his/her discretion, collect the Minor Alterations Deposit.

---------	----------	-----------------	-------	---------------	----------------	---------------

Notes

- [1] Determination of Valuation for Fee-Setting Purposes: Valuation shall be based on total value of all construction work, as determined by the Building Official, including all finish work, roofing, electrical, plumbing, heating, air conditioning, elevators, fire-extinguishing systems and any other permanent equipment). For new construction project valuations which the Building Official believes are understated at submittal, valuation may be determined using the most current International Code Council (ICC) valuation table modified to account for a regional construction cost modifier of 16% or the most currently available regional construction cost modifier (i.e. construction value in ICC Table * 1.16). For tenant improvement, residential remodels, or other projects that do not involve new square footage project valuations which the Building Official believes are understated at submittal, valuation may be determined using, up to 50% of, the most current International Code Council (ICC) valuation table modified to account for a regional construction cost modifier of 16% or the most currently available regional construction cost modifier (i.e. up to 50% of construction value in ICC Table * 1.16.)
- [2] Note: The Building Official may adjust the plan checking/permit fee for an individual project when costs to the City are not congruent with this fee schedule.
- [3] Note: For photovoltaic systems, total permit fees, including applicable Permit Issuance and Filing Fees, Automation Fees, Community Planning Fees, and other mandated fees shall not exceed amounts authorized via Government Code Section 66015.
- [4] Sign permit fees are based on all signs being on the same property and on the same permit.
- [5] Plan checking fee shall be paid at the time of application for a building permit. The plan checking fee is in addition to the building permit fee.
- [6] 1 hour minimum.
- [7] 2 hour minimum.
- [8] Note: Payment of any investigation fees does not exempt any person from compliance with all other provisions of applicable codes in the execution of the work nor from any other penalties prescribed by law.
- [9] Note: For small ~~tenant~~ improvements to existing buildings and ADUs, the Chief Building Official and/or the Community Development Director may waive the Community Planning Fee at his/her discretion.
- [10] Community Planning Fee will not be charged for the following project types: permits for accessory dwelling units; stand-alone mechanical, plumbing, and electrical permits; minor residential remodels, and; minor tenant improvements.
- [11] Fee charged as a percentage of permit fee.
- [12] CA Gov't Code 36900
- [13] Set by State
- [14] 80% of fees paid less Technology Fee and Credit Card fee

Notes

- [1] Park Development Fees created with Reso. 2000-64, and amended with Reso. 2005-069, Reso. 2019-074 and Reso. 2025-106.
- [2] Accessory Dwelling Units exempted from Park Land Acquisition Fee, Park Improvement Fee and Development Fees for Street Improvements by Reso. 2025-106 and Reso. 2025-107.
- [3] This fee is reviewed in February of each year to determine if adjustment is required based on changes in the Construction Cost Index as shown in the "Engineering News Record."
- [4] Marina/ Interstate 880 Impact Fees pertain to a certain zone in the City - Please contact Public Works Department for a complete map.
- [5] The Park Land Acquisition Fee shall be imposed only on non-subdivided residential development.
- [6] The Park Improvement Fee shall be imposed on both subdivided and non-subdivided residential development.
- [7] Annually, on July 1, the City Manager shall adjust the amount of the Park Land Acquisition Fee based on the annual percentage change in the Consumer Price Index for All Urban Consumers for the San Francisco Bay Area.
- [8] Annually, on July 1, the City Manager shall adjust the amount of the Park Improvements Fee by the annual percentage change in the Engineering News-Record San Francisco Building Cost Index.
- [9] A residential development is exempt from payment of the Park Land Acquisition and Park Improvement Fee if it satisfies both of the following conditions: i) one hundred percent (100%) of the units in the development, excluding any manager's units, are affordable units; and ii) the project applicant is an entity, or is controlled by an entity, exempt from taxation pursuant to section 501(c)(3) of the Internal Revenue Code.
- [10] The amount of the Park Land Acquisition and Park Improvement Fees for any affordable unit, other than those units subject to the conditions noted above in Note [9], shall be fifty percent (50%) of the otherwise applicable rate.

CITY OF SAN LEANDRO

Emergency Communication System Access Tax

July 1, 2026 - June 30, 2027

Section 2-18-210 of Chapter 2-18 of the City of San Leandro Municipal Code Ordinance

"The amount of tax imposed by this section shall be established by this ordinance as set forth below and shall be paid on a per-line basis". The described tax rates and the cap of \$10,000 annually shall be adjusted annually by the City Council, by the percentage increase in the Consumer Price Index (CPI) of 3% as follows:

Description		FY 26 Adopted Rate	FY 27 Proposed
Single Access Line		\$ 3.22	\$ 3.32
Trunk Line (<i>7½ times the capacity of a Single Access Line</i>)		\$ 22.24	\$ 22.91
Super Trunk Line (<i>capacity of at least 24 channels over a high capacity service line</i>)		\$ 78.00	\$ 80.34
Cap Threshold		\$ 15,471.58	\$ 15,935.73
