Initiative Updates

Community Pedestrian & Bicycle Safety Training (CPBST)

- Planning Committee met 3x — on April 3, April 30 and May 15
- Performed walk assessments of three routes — on E 14th Street near City Hall, on Washington Avenue near Springlake Drive, and on E 14th Street near Senior Community Center
- Conducted a community planning workshop on May 29
- Final report due to Human Services in July 2025
- Debrief meeting TBD to review report findings

Kaiser Permanente Sponsorship Request

- Submitting two applications by June 18 deadline
 - For caregiver appreciation event in November 2025
 - For Senior Services Expo in December 2025
- Funds must be expended by December 31, 2025
- Will be notified of an award in July 2025

Three New Plans

- Organizational Plan
- Communications Plan
 - Added an Accessibility Checklist
- Two-Year Implementation Plan
 - For July 1, 2025 through June 30, 2027
 - Based on input from Senior Commission, Human Services staff, and partners

Implementation Plan Summary

- Includes a Results-Based Accountability (RBA) and evaluation framework for the initiative as a whole and for each priority area
- Organizes activities by three categories: planning, education, and goods and services
- Includes an analysis of where adults aged 60+ live in San Leandro; a list of related plans and initiatives; and a list of core funding resources

Implementation Plan Discussion

- Do you have any questions about the Plan and/or its content?
- Is there anything missing that would be valuable for the Senior Commission?
- Is there consensus to use this Implementation Plan (and the Organizational and Communications Plans) to move the Age-Friendly San Leandro initiative forward, knowing that modifications will/may be made based on future needs and capacity?

Year 1 Milestones

- Developed and deepened partnerships within the City and with community organizations
- Operationalized the initiative, and integrated Human Services Department staff work plans
- Significantly increased the level of outreach for senior services programs and activities (including tabling at events)
- Pursued new funding opportunities, and raised awareness about the issues facing older adults

Year 1 Milestones

- Implemented new or expanded programs: cybersecurity and digital literacy, police and public safety, RideCare, Uber subsidy, and local day trips
- Planted the seeds for ongoing projects: pedestrian safety, emergency services, shared housing and rehab program expansion, food and meals programs, caregiving events, and intergenerational programming

Next Steps for the Senior Commission

- Continue raising awareness of Age-Friendly San Leandro among City commissions and at signature events/activities
- Garner support from community leaders and champions
- Continue providing input into the design, implementation and outreach of programs (both new and existing)
- Provide input to deepen Age-Friendly San Leandro's alignment with other City plans and initiatives
