WHEREAS, City Council deferred all Police vehicle replacements in Fiscal Year 2020-2021; and

WHEREAS, staff proposes procuring ten vehicles, including the equipment needed to outfit each; and

WHEREAS, Staff learned that due to a limited number of days for ordering because of a variety of reasons and factors, including a current shortage in Police Fleet Patrol Vehicles due to lack of production, staff would need to sole source purchase the vehicle order.

WHEREAS, the total amount of the purchase for all ten vehicles, including delivery, will not exceed \$614,740.00 dollars; and

WHEREAS, the outfitting of the new vehicles will be completed by Priority 1 Public Safety Inc., and

WHEREAS, Priority 1 Public Safety, Inc. is already under contract with the City to purchase and install all the necessary equipment to outfit each vehicle according to Police Department specifications, the estimated cost of which is \$250,034.00 for all ten vehicles; and

WHEREAS, This Council action would reallocate \$864,774.00. Since the reallocated funds would be exclusively derived from salary savings from the previously adopted FY 2022-2023 budget, no additional appropriations would be required. (Account number 690-16-003).

NOW, THEREFORE, the City Council of the City of San Leandro does **RESOLVE** as follows:

That the ten replacement vehicles may be purchased from Future Chevrolet and outfitted to police department specifications, for a sum not to exceed \$864,774.00; and

That the procurement from Future Chevrolet and Priority 1 Public Safety, Inc. are justified as a sole source purchase under Cal. Public Contract Code sections 3400(c)(2) and (c)(3) in order to match other products in use, and because the necessary equipment and items are only available from one source; and

That the City Manager is authorized to execute the said purchase agreement(s) and all other documents related to the purchase.
