

Business License Fees, Emergency Communications Tax, and EMS Tax

City Council
May 15, 2023

Annual Adjustments

- San Leandro Municipal Code requires annual adjustment of:
 - Business License Fee
 - Emergency Medical Services Tax
 - Emergency Communications System Access Tax
- Adjustment is tied to Consumer Price Index (CPI)
- Proposed rates would be effective July 1, 2023

Business License Fees

- Permits to allow entities to conduct business in San Leandro
- Fees are either a flat annual fee or a base and per unit fee
- Propose to increase by 4.9% to mirror CPI

Emergency Communications Tax

- Supports provision of emergency call processing and dispatch (911 system)
- Tax is charged per line with differentiation by single access, trunk, and super trunk lines
- Propose to increase by 4.9% to mirror CPI

EMS Tax

- Supports providing emergency paramedic services in a timely manner
- Tax sets forth a benefit unit
 - Number of units charged varies by property type
- Propose to increase benefit unit by 4.9% to mirror CPI
