Major Enhancements	12 one-day drop-off events per year Enhanced outreach to "equalize" higher participation Outreach at point of purchase for "upstream" solutions		

Summary of Fee Proposal

- ❑ \$9.55 per residential unit per year, maximum
- ❑ Collected through the property tax roll
- ❑ Fee does NOT increase with inflation or costs
- ❑ Fee automatically goes down if revenue or cost offsets by other sources (e.g., PaintCare) are higher than listed in the HFH independent financial review
- ❑ Fee ends on 6/30/2024 (Ten year “sunset”)
- ❑ Residential Rental Property Owners Can Use the Facilities at No Charge (they must pay to use now)

Summary of Rationale

- If DON'T Take Action, Illegal HHW Dumping and Associated Expenses and Environmental Harms Will Occur
- Accommodate Historic Pattern of Growth in Use
- Increase Convenience of Use:
 - ▣ Consistent Days and Hours, Countywide
 - ▣ Twelve One-Day Drop-Off Events
- More Efficient Use of Staff and Facilities
- More Equitable Use of Facilities and Services
- Captures More Than Half of Total HHW Tons
- Point of Purchase Outreach and Technical Assistance, in Support of Long Term “Upstream” Solutions

The Decision Process (Current Schedule)

December 18, 2013: Consideration of Whether and When to “Schedule for Possible Adoption”

Mailing to all Residential Property Owners, Notifying Them of the Date for Possible Adoption, and Telling Them How They Can Object to the Fee

February 26, 2014: Consider Adopting the Fee
