It is an express condition of this lease that the City and its officers, agents, and employees shall be free from liability for any death or deaths of or any injury or injuries to any person or persons or damages to property of any kind whatsoever, whether the person or property of Lessee, its agents, or employees, subLessee, concessionaires, or licensees or third persons, from any cause or causes whatsoever while in or upon the Premises or any part thereof during the term of this lease or occasioned by any occupancy or use of the Premises or concessionaires, or licensees in connection therewith, and Lessee hereby covenant and agree to indemnify and to save harmless the City and its officers, agents, volunteers and employees to the fullest extent permitted by law from all liability, charges, expenses (including legal fees), and costs on account of or by reason of any such death or deaths, injury or injuries, liabilities, claims, suits, or losses however occurring or damages growing out of same.

Lessee further agrees to indemnify and hold harmless the City and its officers, agents, volunteers and employees from any and all claims or liabilities which result or are alleged to have resulted from any infringement or alleged infringement of any patent rights or copyrights or claims caused or alleged to have been caused by the use of any documents, written work, or materials used by Lessee under the lease.

The Lessee shall take out and maintain in the name of the Lessee and the City during the life of the lease such Public Liability Insurance as shall protect itself, the City, its

(8) Standard form of cross-liability.

(9) Thirty (30) days' notice of cancellation.

A certificate of insurance and required endorsements evidencing such insurance coverage shall be filed with City prior to entry upon the Premises.

17. WORKERS' COMPENSATION INSURANCE.

Lessee shall maintain in force during the term of this lease, in an amount of \$500,000 and with coverage satisfactory to City, Workers' Compensation Insurance if Lessee has employees. A certificate evidencing such insurance coverage shall be filed with City prior to entry upon the Premises.

18. LEASE, ASSIGNMENTS, AND SUCCESSORS.

Lessee shall not either directly or indirectly give, assign, hypothecate, encumber, transfer, or grant control of this lease or any interest, right, or privilege therein, or sublet the whole or any portion of the Premises or reassign the use of the name in whole or in part, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld.

Neither this lease or any interest therein shall be assignable or transferable in proceedings in attachment, garnishment, or execution against Lessee, or in voluntary or involuntary proceedings in bankruptcy or insolvency or receivership taken by or against Lessee or by any process of law, and possession of the whole or any part of the Premises shall not be divested from Lessee in such proceedings or by any process of law, without written consent of City. Any breach of the provisions of this paragraph shall give City the right to terminate this lease immediately.

This lease is and shall be binding upon the heirs, executors, administrators, successors and assigns of the respective parties hereto.

19. HAZARDOUS SUBSTANCES.

No goods, merchandise, or material shall be kept, stored, or sold in or upon the Premises that are in any way explosive or hazardous; and no offensive or dangerous trade, business, or occupation shall be carried on therein or thereon; and no machinery or apparatus shall be used or operated on said facilities, provided, however, that nothing in this paragraph contained shall preclude Lessee from bringing, keeping, or using on or about the Premises and building such materials, supplies, equipment, and machinery as are necessary or customary in carrying on its said activities. Potentially hazardous materials such as paints, varnishes, etc., that are kept on the premises shall be stored according to manufacturer's recommendations and in keeping with Best Management Practices for the use and storage of such materials.

20. FORFEITURE.

This lease is made upon the condition that if the rents or other sums which Lessee herein agrees to pay, or any part hereof, shall be unpaid on the date on which the same shall become due, or if default be made in any of the terms, agreements, conditions, or covenants herein contained on the part of Lessee, after notice from City and a 10-day cure period, or should Lessee abandon and cease to use the Premises for a period of ninety (90) days at any one time except when prevented by fire, earthquake, wars, strikes, or other calamity beyond its control, then and in such event, at the option of the City as evidenced by resolution of the City Council, this

lease shall become forfeited, and the City may exercise all rights of entry and re-entry upon the Premises. Lessee shall not be considered in default as to any provisions of this lease when such default is the result of, or pursuant to, any process, order, or decree of any court or regulatory body.

21. OPTION TO TERMINATE.

The City and Lessee shall have the option to terminate this lease without cause upon notice given as hereinafter in Paragraph 31 set forth. Said notice of exercise of said option to terminate shall be given on or before one hundred twenty (120) days prior to the effective date thereof.

22. RIGHT OF ENTRY AS AGENT.

In any case in which provision is made herein for the termination of this lease by the City, or in the case of abandonment or vacating of the Premises by Lessee, the City, in lieu of declaring a forfeiture, may enter the Premises. To such end, Lessee hereby irrevocably appoint the City as its agent to remove any and all persons or property on the Premises and place any such property in storage for the account of and at expense of Lessee. In such case, the City may re-let the Premises upon such terms as it may deem proper. Lessee further agrees to save the City harmless from any loss or damage or claim arising out of the action of the City in pursuance of this paragraph.

23. SURRENDER OF PREMISES.

The Lessee covenants and agrees that at the expiration of this lease, or upon its earlier termination, Lessee will quit and surrender the Premises with all the improvements thereon in as good of state and condition as the same were when construction of such improvements were completed by Lessee, reasonable wear and tear excepted, and Lessee agrees, unless otherwise permitted in writing by the City, to remove all personal property belonging to Lessee. Upon such termination, the City shall have the right to enter upon and take possession of the Premises. Provided always, however, that nothing in this paragraph contained shall obligate Lessee to make any repairs that by any other provision of this lease it shall be relieved or exempt from making.

24. INSPECTION OF PREMISES.

The City or its duly authorized representatives, or agents and other persons for it, may enter upon the Premises at any and all reasonable times during the term of this lease for the purpose of determining whether or not Lessee are complying with the terms and conditions hereof or for any other purpose incidental to the rights of the City.

25. HOLDING OVER.

Should Lessee hold over the Premises after this lease has terminated in any manner, such holding over shall be deemed merely a tenancy from month to month and at a rental of one

dollar (\$1.00) per month, payable monthly in advance, but otherwise on the same terms and conditions as herein provided. In addition, payment of one-half of the utility charges will be due 15 days after notification from the City of the amount due.

26. WAIVERS.

No waiver by the City at any time of any of the terms, conditions, covenants, or agreements of this lease shall be deemed or taken as a waiver at any time thereafter of the same or any other terms, conditions, covenants, or agreements herein contained, nor of the strict and prompt performance thereof by Lessee. No delay, failure, or omission of the City to re-enter the Premises or to exercise any right, power, privilege, or option arising from any default, nor subsequent acceptance of rent then or thereafter accrued, shall impair any such right, power, privilege, or option, or be construed to be a waiver of any such default or relinquishment thereof or acquiescence therein. It is agreed that each and all of the rights, powers, options, or remedies given to the City by this lease are cumulative, and no one of them shall be exclusive of the other or exclusive of any remedies provided by law, and that the exercise of one right, power, option, or remedy by the City shall not impair its rights to any other right, power, option, or remedy.

27. WAIVER OF CLAIMS.

Lessee hereby waive any claim against City and its officers, agents, or employees for damage or loss caused by any suit or proceeding directly or indirectly attacking the validity of this lease, or any part thereof, or by any judgment or award in any suit or proceeding declaring this lease null, void, or voidable.

28. TIME OF ESSENCE.

Time is expressly declared to be of the essence of this lease.

29. CONFLICT OF INTEREST.

Lessee warrant and covenant that no official or employee of City or any business entity in which an official or employee of City is interested:

- a. Has been employed or related to solicit aid in the procuring of this lease;
- b. Will knowingly be employed in the performance of this contract without the immediate divulgence of such fact to City.

In the event City determines that such employment of such official, employee, or business entity is not compatible with such official's or employee's duties as an official or employee of City, Lessee, upon request of City, shall terminate such employment immediately.

For knowing breach or violation of this paragraph, City shall have the right both to annul this lease without liability and, in its discretion, to recover the full amount of such

compensation paid to such official or business entity.

30. NONPROFIT CORPORATE STATUS.
