

**MEASURE BB / VEHICLE REGISTRATION FEE
MASTER PROGRAMS FUNDING AGREEMENT**
between the
ALAMEDA COUNTY TRANSPORTATION COMMISSION
and the
CITY OF SAN LEANDRO

This Measure BB / Vehicle Registration Fee Master Programs Funding Agreement (“AGREEMENT”), effective the 1st of July 1, 2026, is entered into by and between the Alameda County Transportation Commission (“ALAMEDA CTC”) and the City of San Leandro (“RECIPIENT”).

RECITALS

A. On November 2, 2010, the voters of Alameda County approved Measure F, the Vehicle Registration Fee (“VRF”) Program, pursuant to Section 65089.20 of the Government Code, thereby authorizing the Alameda County Congestion Management Agency (“ACCMA”) to administer the proceeds from a \$10 per year vehicle registration fee on each annual motor-vehicle registration or renewal of registration in Alameda County, starting in May 2011, six months following approval of Measure F. Vehicles subject to the VRF include all motorized vehicles, including passenger cars, light-duty trucks, medium-duty trucks, heavy-duty trucks, buses of all sizes, motorcycles, and motorized camper homes, unless vehicles are expressly exempted from the payment of the VRF.

B. Funds raised by the VRF will be used exclusively for local transportation purposes in Alameda County that have a relationship or benefit to the owners of motor vehicles paying the VRF, including projects and programs identified in the expenditure plan approved by the voters as part of Measure F (the “VRF Expenditure Plan”).

C. On June 24, 2010, the Alameda County Transportation Improvement Authority (“ACTIA”) and ACCMA took the final actions to create ALAMEDA CTC, a joint powers authority, with all of ACTIA and ACCMA’s functions and responsibilities. Pursuant to resolutions adopted by the ACCMA and ACTIA Boards and the governing body of the ALAMEDA CTC (COMMISSION”), ACCMA and ACTIA were terminated as of the close of business on February 29, 2012, with ALAMEDA CTC designated as the successor entity. All of its predecessors’ functions and responsibilities have been assigned to, and accepted by, ALAMEDA CTC, including duties related to the VRF Program.

D. On November 4, 2014, the voters of Alameda County, pursuant to the Local Transportation Authority and Improvement Act, California Public Utilities Code Section 180000 *et seq.*, approved Measure BB, thereby authorizing ALAMEDA CTC to administer the proceeds from a one-half of one percent transaction and use tax applicable from April 1, 2015 through March 31, 2022, and a full one percent tax applicable from April 1, 2022 through March 31, 2045. The tax proceeds will be used to pay for the investments outlined in Alameda County’s 30-Year Transportation Expenditure Plan (“Measure BB Expenditure Plan”), as it may be amended.

E. This AGREEMENT delineates the requirements of the Measure BB and VRF Direct Local Distribution (“DLD”) funds that are directly allocated to local jurisdictions and transit operators, as

authorized by the VRF Expenditure Plan, and the Measure BB Expenditure Plan. Discretionary funds identified in these expenditure plans are not the subject of this AGREEMENT, and RECIPIENT will be required to enter into a separate agreement for those funds.

F. The parties to this AGREEMENT previously entered into a Master Programs Funding Agreement applicable to DLD funds distributed by ALAMEDA CTC, which expires as of June 30, 2026 (“ORIGINAL AGREEMENT”). This AGREEMENT is generally consistent with the ORIGINAL AGREEMENT, but the parties have determined that it is appropriate to enter into a new agreement rather than extending the ORIGINAL AGREEMENT.

G. This AGREEMENT was originally approved by the COMMISSION on February 26, 2026.

NOW, THEREFORE, it is mutually agreed by and between the parties as follows:
