Subject: Manipur resolution suspension request

Mayor,

I am requesting your approval to file a notice of suspension, per City's Charter Section 305(h), of the action on the Manipur resolution from Monday 10/16/23. And in conjunction, requesting the resolution be brought back for council adoption on 11/6/23. Since I introduced the resolution under item 14 last month and worked with the Manipur group to help draft the resolution, I had wanted to motion the item to adopt the resolution. I spoke to Council Member Ballew today and he is ok with me motioning the item for adoption if brought back to the next council meeting on 11/6/23. I will be reaching out to each of the Bay Area congressional representatives listed on the resolution to continue efforts to help those in Manipur and my name listed on the resolution as introducing the item will help make those connections.

Thank you for your consideration of my request.

- Fred Simon
