Broadmoor Village is a previously approved project that will be located at the corner of MacArthur Boulevard and Herma Court.

The project was previously approved for 23 townhome condominiums but has been reduced to 20 homes disbursed between 4 buildings.

The architectural design is similar to the previously approved project.

The homes will vary in size anywhere between 1500 and 2020 square feet.

If you have questions or concerns, please contact us at :

info@langonconstruction.com or 925-946-1850.
