ORAL REPORT OF SECRETARY

A. Recreation and Human Services Calendar of Meetings and Events

- Secretary Bateson informed Commissioners that a creek clean-up will be held on October 14 at Root Park.
- The Youth Advisory Commission will host the Pumpkin Splash at the Boys and Girls Club Pool on October 27 as their fall fundraiser. The pool will be turned into a pumpkin patch.
- Community meetings will be held on October 18 and November 1 at the Marina Community Center to discuss the design and programming of the passive park area associated with the Shoreline Development. The November 1 meeting of the Recreation and Parks Commission will be cancelled so all commissioners can attend.

B. Recap of September Special Events

- Secretary Bateson thanked the Commissioners who attended the various events throughout the month of September.
- The Pooch Pool Party held at the Family Aquatic Center had 53 dogs sign-in to the event. Feedback from attendees was positive and there were no incidents.
- The San Leandro Family Bike Ride had 14 participants. The low attendance likely stems from the fact that a number of similar events are hosted throughout the year, but overall, participants had a positive experience.
- Music by the Bay had 150 attendees. The band, Lost Dog Found, was well received and the weather was great. The event competed with Truth Thursdays. Things to consider in the future are the length of the event and the scheduled date.
