

**EMERGENCY PREPAREDNESS
GET READY SAN LEANDRO**

Emergency Operations Center (EOC) Overview for City Council

Objectives

- Define the roles and responsibilities of the City Council relative to the EOC.
- Describe the types of agency policies and guidelines that influence management of incidents or event activities.

Emergency Operations Center EOC

- The EOC is a multi-agency coordination entity that provides support and coordination to the on-scene responders.
- Although the EOC uses ICS management principles it does not manage on-scene operations.

City Council Roles During a Disaster

- Receive regular updates and briefings from the Director of Emergency Services.
- Consider the need for issuing a Proclamation of Local Emergency.
- Serve as a liaison to other City, County, State and/or Federal government representatives.
- Serve as the liaison to community organizations.
- Provide special legislation and develop policy.
- Consider and advise recovery strategies.
- Work with members of the PIO's team to provide accurate information to the community of San Leandro and members of the press.

Definition of Local Emergency

- Conditions of disaster or extreme peril (air pollution, fire, flood, storm, epidemic, riot, drought, sudden/severe energy shortage, earthquake) to the safety of persons/property within the territorial limits of a county, city and county, or city that are likely to exceed resources/capability of the “proclaiming” political jurisdiction.
- *Section 8558(c), Chapter 7 of Division 1 of Title 2 of the Government Code*

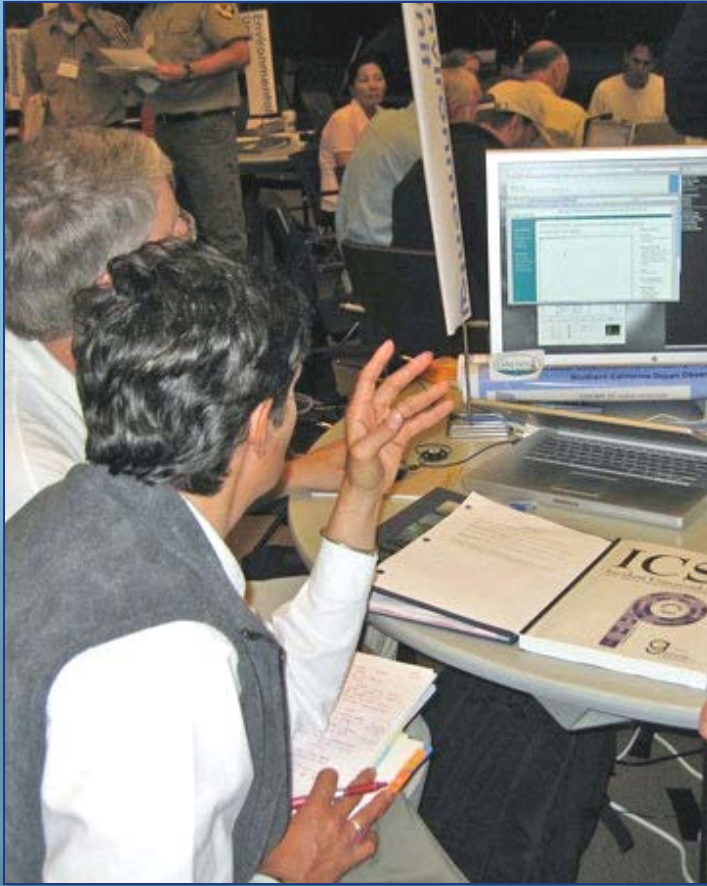

Local Emergency Proclamations

Issued by:

- The City Council, or
- Director of Emergency Services

Deadlines

- Issuance: within 10 days of occurrence
- Ratification: within 7 days of governing body
- Renewal: reviewed every 14 days until terminated
- Termination: when conditions warranting proclamation have ended

Notification Process

- Local governments should notify the Alameda County Office of Emergency Services (Operational Area) and provide a copy of the local emergency proclamation as soon as possible.
- Cal OES Director will respond in writing to the local government concerning the status of any requests for assistance included within the local proclamation or accompanying letter.

Levels of Disaster Assistance

- Director's Concurrence – Cal OES must receive request from local government within 10 days of incident.
- Governor's Proclamation – Cal OES must receive request from local government within 10 days of incident.

Levels of Disaster Assistance Continued

- Presidential Declaration of an Emergency
 - Governor must request on behalf of local government within 5 days after the need for federal assistance is apparent.
- Presidential Declaration of a Major Disaster – Governor must request federal declaration of a major disaster within 30 days of incident.
