NOTE:

- (1) Detection includes either pavement loops, video detection system, or a combination of both.
- (2) GTT GPS equipment includes 764 phase selector, GPS radio antenna, cabling, and associated accessories. GTT GPS equipment in Hayward are provided by the City of Hayward through its leasing contract with GTT.
- $\begin{tabular}{ll} \textbf{(3) Caltrans will provide controllers for the intersections owned and operated by Caltrans.} \end{tabular}$
- (4) Caltrans will provide GPRS modems for the intersections owned and operated by Caltrans.
- (5) The intersections 8 through 15 are located within the County's Hesperian Corridor Improvement Project. The County and AC Transit share responsibilities as summarized in Exhibit D.
