## ANSWER CHOICES

## RESPONSES

▼ Reorganize current departments to possibly include a new Department of Race and Equity, and consolidation to improve cost efficiency where appropriate, (include separating Recreation and Human Services and combining Engineering & Transportation and Public Works.)	35.71%	10
▼ Review all technology utilization and the cost/benefits for any enhancements to improve safety and other services (e.g., fix-it-tickets, financial software upgrades).	35.71%	10
▼ Expand city-wide training on de-escalation, trauma-informed frameworks, implicit bias, and cultural humility and background checks. Also recommend evaluations to assess ongoing effectiveness of the training.	32.14%	9
▼ Grow economy in San Leandro by expanding the Community Development Department and Economic Development Division to become more proactive in bringing more business and housing in SL., this may include an ombudsman or streamlining of city services to support new businesses or business expansion. Speed up the process and have another person that goes out and looks for new businesses.	32.14%	9
▼ Provide funding to small business impacted by COVID 19 using sustainable funding. Also to encourage new and existing businesses to grow.	28.57%	8
▼ Providing funds to strengthen ongoing collaboration between school and library programming (GED, bookmobiles, job training etc.) to improve program delivery and access to students, families, seniors and unhoused at navigation center etc.	28.57%	8
▼ Ensure that reform and/or reallocation efforts affecting the police department recognize the need for public safety and are implemented with the intended effect of maintaining or increasing public safety levels and diversify our public safety portfolio beyond reliance on policing.	25.00%	7
▼ Implement RFP process for all contracts over a certain dollar value. Extend RFP if City does not receive more than one bid. Establish protocols to address situations where only one party is qualified to deliver the service. Consider giving priority to small emerging businesses (SLEB), women and POC owned businesses with justification going outside.	25.00%	7
▼ Evaluate overtime use more effectively, including root cause analysis, cost-effectiveness, budget-to-actual, on a quarterly basis.	21.43%	6
▼ Postpone "Nice to have" activities and CIP projects, such as the pools, Casa Peralta, etc.	21.43%	6
▼ Increase accessibility to both financial information and department performance metrics to increase transparency and accountability. (See item 25 - maybe combine?)	17.86%	5
▼ Realize staff-based savings by maintaining soft hiring freeze, evaluating elimination of presently vacant positions, conducting desk audits, offering early retirement incentives, fiscally sustainable contracts with POA, and consider increased contributions from employees toward pension and health benefits etc. Also consider outsourcing functions when service levels can be maintained at reduced cost.	17.86%	5
▼ Hire a Volunteer Coordinator to facilitate the engagement of various opportunities with San Leandro residents.	14.29%	4
▼ Develop behavioral health infrastructure and services.	14.29%	4
▼ Increase partnering with NGOs and local businesses with expertise that can promote community engagement and assist city be more financially efficient (contracting with those with expertise which could be less expensive).	14.29%	4
▼ Utilize external resources for City Council to receive independent advice on budgeting and delivery of desk and performance audits (consider an independent budget analyst for the City Council).	14.29%	4
▼ Evaluate the level of Reserves, benchmark with other cities, and be transparent about its use.	14.29%	4
▼ Increase funding support for environmental sustainability efforts	10.71%	3
▼ Increased collaboration with both School Districts to increase efficiencies and look to include student mental health with SLUSD & SLOrenzUSD.	10.71%	3
▼ Create an Equity Office/Department	7.14%	2
▼ Assess whether it is cheaper contracting out fire services or having the city staff it and conduct an analysis of the components of the contract for cost savings.	3.57%	1
