2. DISCUSSION ITEMS

2. A. Tobacco Retail License

Assistant City Attorney Kris Kokotaylo provided an update on the Tobacco Retail Ordinance and addressed the committee's concerns regarding the prohibition of the sale of menthol cigarettes and incorporating a "tobacco-free pharmacy" component to the ordinance. The Assistant City Attorney recommended bringing back the "tobacco-free pharmacy" issues as a separate ordinance and found no precedence for a flat prohibition on the sale of menthol cigarettes, suggesting that such a clause could expose the City to legal risk.

Vice Mayor Thomas moved we bring the "tobacco-free pharmacy" ordinance back at a separate date. Also requested the City Attorney review the ordinance to include possible prohibitions on the sale of menthol.

Vice Mayor Thomas asked for the following amendments regarding violations:

2nd Violation 90 days;
3rd Violation 120 days;
4th Violation 5-year ban

Mayor Cutter and Councilmember Ballew did not agree with a change in violations.

Councilmember Ballew sought clarification regarding whether all vape products, including non-nicotine products were included in the ban. He suggests the committee find a balance that protects public health at-large but respects the business community as well.

Councilmember Ballew also asked staff to research whether San Leandro could place a moratorium on future tobacco retail licenses. This will not affect existing retailers, only potential future tobacco retailers. Requests additional information on protections for "coupons in apps" and other electronic coupon deals.

Mayor Cutter suggests bringing the issue to a future agenda for the Council of Mayors to have a larger discussion. Wants additional information on the menthol issue but is not in favor of adding to the ordinance currently. She would like to remove flavored products that do not contain nicotine from the ordinance.

There were 21 speakers on this item: Brian Davis, Marsha Brown-Macken, Kathy Ko, Dennis Doucey, Beatrice Duncan, Asad, Serena Chan, David Algo, Tony, Ann, Patty Robinson, Monesh, David, Rachel Crowell, Tamiko Johnson, Nasir Kahn, Burpinder Singh, Theresa, Paul Sidhu, Bob S.

Recommendations: This item will be presented to the full council for consideration on June 5th. Staff will not include a menthol ban in the current ordinance, staff will also review a moratorium on future tobacco retail licenses; and the tobacco-free pharmacy proposal will return at a later date.

2. B. Discussion of Community Care

Community Development Director, Cynthia Battenberg introduced the Community Care initiative to the committee and discussed changes to the Municipal Code.

Mayor Cutter would like to initiate a volunteer website for elderly or disable persons who need assistance. She also requested information about repeat parking offenders.

Councilmember Ballew requested the following changes to the municipal Code:

- a. Extend prior violation trigger from 2 to 3 years
- b. SLMC Section 1-12-425 Change the time limit for appeals to 15 days
- c. SLMC Section 1-12-450 Change to 10 days

Recommendation: This item including the Municipal Code amendment will be presented to the full City Council for consideration on June 5th.
