5.A. RRB2018-03: 1198 Jefferson St., Apt. 401

Chair Silva announced that this meeting is a continuance of the meeting last month where a Settlement Agreement was reached.

Tenants Bobby Jones and Beverly Coleman stated that because of health issues, they needed more time to move furniture so that their carpet could be replaced. They also expressed concern that most issues weren't addressed.

Property manager Michelle Davis said that most everything in the agreement was addressed and those items that weren't, was because of lack of access.

The tenants disagreed with the property manager's summary of addressing items on the Settlement Agreement.

Chair Silva closed the Public Hearing.

Board Member Ousley stated that she thought it was in the best interest of all parties to stick to the original agreement, as the board does not have the authority to enforce anything. She continued that the board's job is to act as mediators, and at this point the board has mediated as much as they are able to do so. She stated that if they have issues that they want to take up with other agencies, that is up to them.

Property manager Michelle Davis agreed to sign the agreement, which is a good faith negotiation between landlord/property management and tenant.

Chair Silva moved to recommend that both parties sign the agreement, seconded by Dan Johnson.

The motion carried by the following vote:

Aye: 3 - Chair Silva, Johnson, Ousely

Absent: 1 - Spreer
