Section 1. Article 4 of Chapter 5 of Title VII of the San Leandro Municipal Code is hereby repealed.

In accordance with California Health and Safety Code Section 17958.7, express findings that modifications to the California Building Standards Code are reasonably necessary because of local climatic, geological or topographical conditions are either already on file with the California Building Standards Commission, or will be filed prior to the effective date of this Ordinance. In accordance with California Government Code Section 50022.6, at least one true copy of the
