City Project Tour

### SUMMARY AND RECOMMENDATIONS

The Facilities and Transportation Committee led by Staff will conduct a driving tour of the City to view completed and proposed infrastructure projects.

### BACKGROUND

The City has embarked on an ambitious Capital Improvement Program with over \$75 million of funded projects. A large portion of the program are street maintenance and rehabilitation projects that are funded by Measure BB and SB 1 funds. A \$20 million bond issuance is programmed for the current budget cycle that will be used for projects supported by the General Fund. In addition, land developers have invested in the City's infrastructure as a result of Conditions of Approval imposed through the City's review and permit processes. Finally, partner agencies such as AC Transit are actively designing and implementing projects within the City. Collectively, these projects improve livability, access and mobility throughout the community.

### Analysis

The Facilities and Transportation Committee will conduct a driving tour of the City to visit approximately 21 sites of completed and proposed projects. Staff will provide commentary on the noteworthy features of each project and will answer questions from Committee members. The list of sites include:

1. Bancroft Avenue and Dowling Boulevard Crosswalk
2. Farrelly Swimming Pool
3. MacArthur Boulevard/Superior Avenue Roundabout
4. MacArthur Boulevard Park & Ride

5. West Broadmoor/San Leandro/Park Intersection
6. San Leandro/Park/Best Intersection
7. West Juana between San Leandro Boulevard and E. 14<sup>th</sup> Street
8. Juana Ave - Street Rehabilitation
9. 2000 Marina Boulevard & Marina Boulevard Widening
10. Neptune Drive/Marina Boulevard FEMA Levee Project
11. Mulford/Marina Library Site
12. 100 Halcyon Avenue
13. Doolittle Drive and Bermuda Crosswalk
14. West Ave 133<sup>rd</sup> - PWS Street Paving
15. Manor Swimming Pool
16. Manor & Kesterson - Raised Intersection
17. Wicks & Burkhart HAWK Signal
18. Lewelling Blvd at Tropic Court - Street Rehabilitation
19. Fairmont Drive from Hesperian to E. 14th Street - Street Rehabilitation, Road Diet, and Class IV Bicycle Lanes
20. East 14th Street from Fairmont Drive to Bancroft Avenue - Caltrans Street Rehabilitation
21. 136th Avenue - Street Rehabilitation
