WHEREAS, after 79 years of continuous ownership by a single operating entity, Trailer Haven Mobile Home Park was sold in August 2016 and the City received \$98,400 in Real Property Transfer Tax in fiscal year 2016-17 and should receive an additional \$18,000 in property tax revenue annually thereafter; and

WHEREAS, a housing rehabilitation grant program to be administered by Rebuilding Together and paid for by revenue received by the City has been developed to assist owner occupied mobile homes at Trailer Haven, which could become a model for future grant programs to support and preserve affordable housing, which is vital to San Leandro's grown and community resiliency; and
