BACKGROUND

On April 12, 2004, City Council approved a consulting services agreement with Chandler Asset Management for investment services of City funds. Chandler was selected based on their ability to assist the City in establishing an investment management program, appropriate duration of investment needs of the City and the investment philosophy aligned with the City's conservative approach of Safety, Liquidity and Yield.

Originally, Council approved initial investments of \$40 million with an estimated annual cost to the City of \$40,000 for services provided by Chandler.
