ORDINANCE of the People of the City of San Leandro Enacting a Transactions and Use Tax to Be Administered by the State Board of Equalization (enacts a 0.5% transactions and use tax for 30 years)

WHEREAS, Section 7285.9 of the California Revenue and Taxation Code authorizes cities to levy, increase or extend a transactions and use tax (“sales tax” or “sales and use tax”) at a rate of 0.125% (or any multiple thereof) to be expended for general purposes, which transactions and use tax is subject to the approval by a two-thirds majority vote of all the members of the City Council and by a majority vote of the qualified voters of the City voting in an election on the issue; and

WHEREAS, Article XIII C, section 2 of the California Constitution requires that a general tax must be approved by a majority vote of the qualified voters of the City voting in an election on the issue, and that said election shall be consolidated with a regularly scheduled general election for members of the governing body of the local government; and

WHEREAS, a majority of the voters of the City of San Leandro approved a one-quarter cent (0.25%) Transactions and Use (Sales) Tax, which expires March 2018; and

WHEREAS, this local funding that cannot be taken by the State has ensured that current service levels for public safety, parks, libraries, and other City services and programs are maintained with a reliable source of voter-approved funding; and

WHEREAS, although this funding maintains current service levels, it does not allow the City to address a growing backlog of unfunded public safety, infrastructure, and other program and service needs; and

WHEREAS, upon expiration of the current sales and use tax measure, the City of San

Leandro faces an ongoing budget deficit in the magnitude of approximately \$4 million annually, which would result in drastic reductions in many of the City's existing services, facilities and programs such as cuts to neighborhood patrol officers, fire prevention services, 911 emergency response services, school officers and crossing guards unless additional sources of revenue can be found; and

WHEREAS, thousands of people visit San Leandro every day and existing, voter-approved local funding ensures that those visitors pay their fair share for police, fire, street repair and other services visitors use when they are in San Leandro; and

WHEREAS, any voter-approved funding would continue to include annual audits and oversight by the City's Independent Citizens' Oversight Committee of community members to ensure funds are spent properly; and

WHEREAS, at its July 7, 2014 regular meeting, the City Council considered calling a special election to seek voter approval of a proposed new temporary general transactions and use tax (sales tax), as authorized by Revenue and Taxation Code section 7285.9; and

WHEREAS, at that meeting, the City Council concluded that all of the information presented indicated that to obtain the revenue necessary to maintain and enhance service levels, the City Council should call an election to ask the voters of the City to approve a ballot measure for a local transactions and use (sales) tax extension for thirty (30) years, the revenue from which would be used to support general municipal services, including but not limited to significant City street and road infrastructure projects; and

WHEREAS, on the basis of the foregoing, the City Council determined that it was appropriate to place a measure regarding a temporary general transactions and use (sales) tax before the voters at the November 4, 2014 general election; and

WHEREAS, the tax, if approved, would be imposed on the sale of tangible personal property and the storage, use, or other consumption of such property. The tax rate would be one-half of one percent (0.5%) (i.e. one half-cent for each dollar) of the sales price of tangible personal property. The tax revenue would be collected by the State Board of Equalization and remitted to the City. The tax would be in effect for 30 years, and would then expire automatically, unless extended by the voters. The tax is approved if the measure receives at least a simple majority of affirmative votes of qualified City voters.

BE IT ORDAINED BY THE PEOPLE OF THE CITY OF SAN LEANDRO AS FOLLOWS:

SECTION 1. AMENDMENT OF CODE

Title 2 of the San Leandro Municipal Code is hereby amended to add a new Chapter 2-19 and shall read as follows:

"CHAPTER 19 TRANSACTIONS AND USE TAX

Section 2-19-100. Title.

This ordinance shall be known as the City of San Leandro Transactions and Use Tax Ordinance. The City of San Leandro hereinafter shall be called "City." This ordinance shall be applicable in the

incorporated territory of the City.

Section 2-19-105. Operative Date.

"Operative Date" means the first day of the first calendar quarter commencing more than 110 days after the adoption of this ordinance, the date of such adoption being as set forth below.

Section 2-19-110. Purpose.

This ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

(a) To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the California Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance, which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

(b) To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

(c) To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes.

(d) To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this ordinance.

Section 2-19-115. Contract with State.

Prior to the operative date, the City shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of this transactions and use tax ordinance; provided, that if the City shall not have contracted with the State Board of Equalization prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

Section 2-19-120. Transactions Tax Rate.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of 0.5% of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the operative date of this ordinance.

Section 2-19-125. Place of Sale.

For the purposes of this ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent

place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the State Board of Equalization.

Section 2-19-130. Use Tax Rate.

An excise tax is hereby imposed on the storage, use or other consumption in the City of tangible personal property purchased from any retailer on and after the operative date of this ordinance for storage, use or other consumption in said territory at the rate of 0.5% of the sales price of the property. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

Section 2-19-135. Adoption of Provisions of State Law.

Except as otherwise provided in this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this ordinance as though fully set forth herein.

Section 2-19-140. Limitations on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

(a) Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefore. However, the substitution shall not be made when:

(1) The word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the Constitution of the State of California;

(2) The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this Ordinance.

(3) In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

(A) Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

(B) Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

(4) In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

(b) The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203.

Section 2-19-145. Permit Not Required.

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this ordinance.

Section 2-19-150. Exemptions and Exclusions.

(a) There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county,

or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

(b) There are exempted from the computation of the amount of transactions tax the gross receipts from:

(1) Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.

(2) Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:

(A) With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and

(B) With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

(3) The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

(4) A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.

(5) For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

(c) There are exempted from the use tax imposed by this ordinance, the storage, use or other consumption in this City of tangible personal property:

(1) The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

(2) Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

(3) If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

(4) If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this ordinance.

(5) For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal

property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

(6) Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.

(7) "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

(d) Any person subject to use tax under this ordinance may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

Section 2-19-155. Amendments.

All amendments subsequent to the effective date of this ordinance to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this ordinance, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this ordinance.

Section 2-19-160. Enjoining Collection Forbidden.

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this ordinance, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

Section 2-19-165. Citizens Oversight Committee.

There shall be a five-person committee of members of the public to review and report on the revenue and expenditure of funds from the tax adopted by this Chapter. Also prior to the operative date, the City Council shall appoint at least a quorum of the members of the committee; the City Council shall complete the appointment of members of the committee by the end of fiscal year 2015.
