RESOLUTION Consenting to the Inclusion of Properties Within the City’s Jurisdiction in the California HERO Program to Finance Distributed Generation Renewable Energy Sources, Energy and Water Efficiency Improvements and Electric Vehicle Charging Infrastructure and Approving the Amendment to the Western Riverside Council of Governments Joint Powers Agreement Related Thereto (joins the Western Riverside Council of Governments and participates in the California HERO PACE Program)

**WHEREAS**, the Western Riverside Council of Governments (“Authority”) is a joint exercise of powers authority established pursuant to Chapter 5 of Division 7, Title 1 of the Government Code of the State of California (Section 6500 and following) (the “Act”) and the Joint Power Agreement entered into on April 1, 1991, as amended from time to time (the “Authority JPA”); and

**WHEREAS**, Authority intends to establish the California HERO Program to provide for the financing of renewable energy distributed generation sources, energy and water efficiency improvements and electric vehicle charging infrastructure (the “Improvements”) pursuant to Chapter 29 of the Improvement Bond Act of 1911, being Division 7 of the California Streets and Highways Code (“Chapter 29”) within counties and cities throughout the State of California that elect to participate in such program; and

**WHEREAS**, City of San Leandro (the “City”) is committed to development of renewable energy sources and energy efficiency improvements, reduction of greenhouse gases, protecting the environment, and reversal of climate change; and

**WHEREAS**, in Chapter 29, the Legislature authorizes cities and counties to assist property owners in financing the cost of installing Improvements through a voluntary contractual assessment program; and

**WHEREAS**, installation of such Improvements by property owners within the jurisdictional boundaries of the counties and cities that are participating in the California HERO Program would promote the purposes cited above; and

**WHEREAS**, the City wishes to provide innovative solutions to its property owners to achieve energy and water efficiency and independence, and in doing so cooperate with Authority in order to efficiently and economically assist property owners within the City in financing such Improvements; and

**WHEREAS**, Authority has authority to establish the California HERO Program, which will be just such a voluntary contractual assessment program, as permitted by the Act, the Authority JPA, originally made and entered into April 1, 1991, as amended to date, and the Amendment to Joint Powers Agreement adding the City of San Leandro as an Associate Member of the Western Riverside Council of Governments to Permit the Provision of Property Assessed Clean Energy (PACE) Program Services within the City (the "JPA Amendment"), by and between Authority and the City, a copy of which is attached as Exhibit "A" hereto, to assist property owners within the incorporated area of the City in financing the cost of installing Improvements; and

**WHEREAS**, the City will not be responsible for the conduct of any assessment proceedings; the levy and collection of assessments or any required remedial action in the case of delinquencies in the payment of any assessments or the issuance, sale or administration of any bonds issued in connection with the California HERO Program.

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of the City of San Leandro hereby finds, determines and declares as follows:

1. This City Council finds and declares that properties in the City's incorporated area will be benefited by the availability of the California HERO Program to finance the installation of Improvements.

2. This City Council consents to inclusion in the California HERO Program of all of the properties in the incorporated area within the City and to the Improvements, upon the request by and voluntary agreement of owners of such properties, in compliance with the laws, rules and regulations applicable to such program; and to the assumption of jurisdiction thereover by Authority for the purposes thereof.

3. The consent of this City Council constitutes assent to the assumption of jurisdiction by Authority for all purposes of the California HERO Program and authorizes Authority, upon satisfaction of the conditions imposed in this resolution, to take each and every step required for or suitable for financing the Improvements, including the levying, collecting and enforcement of the contractual assessments to finance the Improvements and the issuance and enforcement of bonds to represent and be secured by such contractual assessments.

4. This City Council hereby approves the JPA Amendment and authorizes the execution thereof by appropriate City officials.

5. City staff is authorized and directed to coordinate with Authority staff to facilitate

operation of the California HERO Program within the City, and report back periodically to this City Council on the success of such program.

6. This Resolution shall take effect immediately upon its adoption. The City Clerk is directed to send a certified copy of this resolution to the Secretary of the Authority Executive Committee.
