Staff Report for Resolutions Regarding the Matter of Imposing Liens for Non-payment of Delinquent 2017 Business License Tax, Solid Waste Service Charges, Certified Unified Program Agency fees, Code Compliance Administrative Penalties and Charges, and Sidewalk Repairs.

SUMMARY AND RECOMMENDATIONS

Staff recommends City Council approval of the attached Resolutions:

- Resolution Overruling Protests
- Resolution Imposing liens for the non-payment of delinquent 2017 business license tax, solid waste service charges, Certified Unified Program Agency (CUPA) fees, code compliance administrative penalties and charges, and sidewalk repairs

Approval of the Resolutions at the close of the public hearing will permit the City to place these delinquent charges on the applicable fiscal year 2017-18 Alameda County secured property tax bills.

BACKGROUND

The San Leandro Municipal Code provides that delinquent 2017 business license tax, solid waste service charges, CUPA fees, code compliance administrative penalties and charges, and sidewalk repairs shall become a lien on the real property at which the service was received. A detailed listing of all delinquent accounts for each category type is attached. The accounts listed have not been paid as of July 17, 2017, for the services received, although ongoing attempts have been made to collect the balances due.

Businesses were sent an annual business license and fee renewal notice in December 2016 and a final notice in May 2017. Also, in May 2017, a Notice of Violation letter was sent to businesses and

property owners that have not renewed their license or that have a balance due, as well as notification of the July 17, 2017 public hearing.

Alameda County Industries (ACI) conducts solid waste activities in the City. In accordance with the San Leandro Municipal Code, ACI provided the requisite notices regarding the conduct of a public hearing to lien delinquent accounts.

Property owners with CUPA fees, or code compliance administrative penalties and charges, or sidewalk repairs were sent an initial invoice. Statements with overdue amounts are then sent monthly. The June and July statements included lien information and the public hearing date.

Current City Council Policy

The City Council conducts a public hearing to lien delinquent accounts annually.

Summary of Public Outreach Efforts

The meeting and public hearing have been properly noticed in accordance with State law.

A notice of the public hearing was sent to all property owners in accordance with the provisions of the City of San Leandro's Municipal Code.

Fiscal Impact

The City will eventually collect the entire amount delinquent less any collection fees charged by the Alameda County Tax Collector. The total amount of fees and charges submitted for liens is as follows:

<u>Type</u>	<u>Amount# of Accounts</u>	
Business license tax	\$53,982.78	114
