URGENCY ORDINANCE Extending a Temporary Moratorium on the Establishment or Relocation of New and Existing Massage Establishments for a Period of One Year, to Become Effective Immediately

WHEREAS, on October 20, 2014, the City Council adopted Ordinance No. 2014-019 imposing a temporary moratorium on the establishment or relocation of new and existing massage establishments for a period of 45 days; and

WHEREAS, on November 17, 2014, the City Council adopted Ordinance No. 2014-022 approving a first extension of the temporary moratorium for a period of 10 months and 15 days, which extension will expire on October 20, 2015 unless further extended; and

WHEREAS, Government Code section 65858 authorizes an extension of the moratorium ordinance, after a noticed public hearing, to prohibit uses of land which may conflict with a contemplated general plan, specific plan or zoning proposal which the legislative body, planning commission or the planning department is considering or studying or intends to study within a reasonable period of time; and

WHEREAS, the City of San Leandro has an interest in planning and regulating the use of property within the City. Implicit in any plan or regulation is the City's interest in maintaining the quality of urban life and the character of the City's neighborhoods. Without stable, well-planned neighborhoods, sections of the City can quickly deteriorate, with tragic consequences to social, environmental, and economic values; and

WHEREAS, cities have traditionally had a high degree of local control related to local zoning and land use authority over massage establishments; and

WHEREAS, the California Legislature adopted Senate Bill 731, effective July 1, 2009, adding and repealing Chapter 10.5 (commencing with Section 4600) of Division 2 of the Business and Professions Code, relating to massage therapy (“Massage Therapy Act”); and

WHEREAS, the Massage Therapy Act placed substantial limits on cities’ regulation of massage establishments as it relates to business licensing, zoning, and health, safety, and welfare regulation; and

WHEREAS, in 2009, San Leandro had 11 establishments that provide massage and now has approximately 30 establishments that provide massage; and

WHEREAS, cities throughout California have received numerous complaints regarding illicit activity, including prostitution, at massage establishments. In San Leandro one massage establishment, with a history of multiple offenses for prostitution since 2011, was recently shut down as part of a county-wide sting operation. Additionally, since the City Council adopted Ordinance No. 2014-019, and after the City Council adopted Ordinance No. 2014-022, one massage establishment had its business license revoked after the Police Department discovered prostitution activities on the premises; and

WHEREAS, San Leandro, consistent with the Massage Therapy Act, has no existing zoning regulations that address the location of California Massage Therapy Council (“CAMTC”) certified massage establishments near potentially sensitive areas throughout the City; and

WHEREAS, the California Legislature passed Assembly Bill 1147 which became effective January 1, 2015, amending Section 460 of, and adding and repealing Chapter 10.5 (commencing with Section 4600) of Division 2 of, the Business and Professions Code, and amending Section 51034 of the Government Code; and

WHEREAS, Assembly Bill 1147 returned land use authority over massage establishments to cities; and

WHEREAS, as applications for business licenses and massage permits are submitted to the City, there is no determination whether the locations of such uses are consistent with the purpose and intent of the City’s zoning ordinance and unregulated massage establishments conflict with contemplated zoning and with the public health, safety, and welfare; and

WHEREAS, as reflected in the findings for Ordinance No. 2014-019, Ordinance No. 2014-022 and the findings herein, there is a current and immediate threat to the public health, safety and welfare of the community if massage establishments locate in the City without proper regulations in place. Absent the adoption of this urgency ordinance to extend Ordinance No. 2014-022, it is likely that the establishment and operation of massage establishments in locations within the City, without appropriate controls in place to regulate the impacts on the community, will result in harmful effects to the businesses, property owners and residents of the City; and

WHEREAS, Article XI, Section 7 of the California Constitution provides that a city may make and enforce within its limits all local police, sanitary and other ordinances and regulations not in conflict with general laws; and

WHEREAS, California Government Code Section 65858, subdivision (a) provides: that city

legislative bodies may, to protect public safety, health and welfare, adopt as an urgency measure an interim ordinance prohibiting any uses that may be in conflict with a contemplated general plan, specific plan, or zoning proposal that the legislative body is considering or studying or intends to study within a reasonable time; that adoption of such urgency measures requires a four-fifths vote of the legislative body; that such measures shall be of no effect 45 days from the date of adoption, and may be extended a maximum of two times and have a maximum total duration of 2 years; and

WHEREAS, California Government Code Section 65858, subdivision (c) provides that legislative bodies may not adopt or extend such interim ordinances unless they contain findings that there is a current and immediate threat to the public health, safety, and welfare, and that the approval of additional entitlements would result in that threat to the public health, safety and welfare; and

WHEREAS, the City Council desires to (1) address the community concerns regarding the establishment and operation of massage establishments, (2) study the potential impacts the massage establishments may have on the public health, safety and welfare, (3) study and determine what local regulations may be appropriate or necessary for massage establishments, (4) study and determine the appropriate zoning and location for massage establishments, and (5) determine appropriate controls for protection of public health and welfare; and

WHEREAS, in accordance with California Government Code Section 65858, subdivision (c), which provides that such interim ordinances that have the effect of denying approvals needed for the development of projects with a significant component of multifamily housing (as defined in California Government Code Section 65858, subdivisions (g) and (h)) may not be extended except upon written findings adopted by the legislative body as specified in the subdivision, the City Council hereby finds that the moratorium extended pursuant to this Ordinance will not have the effect of denying approvals needed for the development of projects with a significant component of multi-family housing; and that, therefore, the findings specified in Section 65858, subdivision (c), need not be made; and

WHEREAS, consistent with the return of local land use authority pursuant to Assembly Bill 1147, staff has commenced steps to conduct a study of the potential impacts of massage establishments, and possible amendments to the City's Municipal Code and Zoning Code for clear, consistent and uniform regulations related to the establishment, location and operation of such businesses. Staff needs time beyond the initial 45-day moratorium and first extension to study appropriate regulations necessary to eliminate or minimize the negative secondary side effects that may result from establishments; and

WHEREAS, the City will take steps to update its Municipal Code and Zoning Code to ensure the City's laws are consistent with the goals, policies and standards of the General Plan and the goals of the City Council to protect the public health, safety, and welfare; and

WHEREAS, the City will consider other existing and potential land uses within the City to assure a degree of compatibility between the location of massage practice and surrounding properties, and study revisions to the Zoning Code; and

WHEREAS, the City seeks to extend the moratorium on establishment or relocation of massage establishments to provide the City additional time to complete its study and complete its approach to massage regulation following the Governor's approval of Assembly Bill 1147; and

WHEREAS, pursuant to Section 15001 of the California Environmental Quality Act (CEQA)

Guidelines, this ordinance is exempt from CEQA based on the following:

- (1) This ordinance is not a project within the meaning of Section 15378 of the State CEQA Guidelines, because it has no potential for resulting in physical change in the environment, directly or ultimately.
- (2) This ordinance is categorically exempt from CEQA under Section 15308 of the CEQA Guidelines as a regulatory action taken by the City pursuant to its police power and in accordance with Government Code Section 65858 to assure maintenance and protection of the environment pending the evaluation and adoption of contemplated local legislation, regulation and policies.
- (3) This ordinance is not subject to CEQA under the general rule in CEQA Guidelines Section 15061 (b)(3) that CEQA applies only to projects which have the potential for causing a significant effect on the environment. For the reasons set forth in subparagraphs (1) and (2), above, it can be seen with certainty that there is no possibility that this ordinance will have a significant effect on the environment.

NOW, THEREFORE, the City Council of the City of San Leandro does ordain as follows:

**Section 1. Recitals Made Findings.** The above recitals are hereby declared to be true and correct and findings of the City Council of the City of San Leandro.

**Section 2. Moratorium Extended.**

A. Scope. In accordance with the authority granted the City of San Leandro under Article XI, Section 7 of the California Constitution and California Government Code Section 65858, the moratorium imposed by Ordinance No. 2014-019 and extended by Ordinance No. 2014-022, which prohibits the establishment or relocation of new or existing massage establishments in the City of San Leandro, shall hereby be extended for a period of one year from and after the date that Ordinance No. 2014-019 as first extended by Ordinance No. 2014-22 would have otherwise expired, and no person, partnership, corporation, or other entity shall commence doing business as, or operations of, a massage establishment, nor shall a massage establishment operator permit or business license be issued to a massage establishment owner unless specifically excluded herein.

B. Exceptions. This moratorium as extended shall not prohibit the following: 1) the renewal of a business license for an existing massage establishment provided that the renewal seeks to maintain the massage establishment in its current location, and the massage establishment is operating in a manner, and housed within a building, which complies with all City, State, Federal or otherwise applicable, codes, rules, regulations or laws; 2) persons engaged as follows: (a) physicians, surgeons, chiropractors, osteopaths, nurses, physical therapists, or acupuncturists who are duly licensed to practice within the scope of their licenses; (b) employed at hospitals, nursing homes, sanitariums, or any other health facility licensed by the state; (c) coaches or trainers acting within the scope of their employment at accredited high schools, junior colleges, colleges or universities, and (d) trainers of amateur, semi-professional or professional athletes or athletic teams while engaged in their training responsibilities for and with athletes, and trains working in conjunction with a specific athletic event; and 3) the issuance of a business license to, or relocation of, a CAMTC certified massage establishment until AB 1147 takes effect on January 1, 2015.

C. Statutory Findings and Purpose. This ordinance, which extends the effective period of the

moratorium imposed by Ordinance No. 2014-019 as extended by Ordinance No. 2014-022, is declared to be an interim ordinance as defined under California Government Code Section 65858. This Ordinance is deemed necessary based on the findings of the City Council as set forth in the recitals incorporated by Section 1 of this Ordinance, and the additional information set forth below:

1. The purpose of this Ordinance is to protect the public safety, health and welfare from a current and immediate threat posed by the establishment or relocation of new and existing massage establishments within the City of San Leandro, in light of the passage of Assembly Bill 1147 which reinstates significant local control over massage establishments to local jurisdictions, until such reasonable time as a detailed study of the possible adverse impacts such establishments might have on commercial and residential uses and the general public health, safety, and welfare. The facts constituting the urgency are: a) the City currently has approximately 30 establishments that provide massage and only had 11 establishments prior to the passage of Senate Bill 731, which deprived cities of local control over massage establishments; b) Cities throughout California, including San Leandro, have received complaints regarding illicit activity occurring at massage establishments; c) there are no existing regulations within the City of San Leandro that address the location of California Massage Therapy Council (“CAMTC”) certified massage establishments, and massage operations, which are near potentially sensitive areas throughout the City; d) such locations can be particularly sensitive to potential harmful effects of massage establishments; e) as applications for business licenses are submitted to the City, there is no determination whether the locations of such uses are consistent with the purpose and intent of the City’s zoning ordinance; f) unregulated massage establishments conflict with contemplated zoning and with the public health, safety, and welfare; and g) the State Legislature passed Assembly Bill 1147, which became law on January 1, 2015.

2. Absent the adoption of this urgency ordinance, the establishment and operation of massage establishments in the City would result in the harmful secondary effects identified above.

3. It is necessary to study the possible adoption of amendments to the City’s municipal code in order to adopt legislation pursuant to the return of local land use control over massage establishments authorized by Assembly Bill 1147.

4. Issuing business licenses or massage establishment operator permits, prior to the completion of the City’s study of the potential impact of such facilities, poses a current and immediate threat to the public health, safety, and welfare.

5. In light of the harmful secondary effects associated with massage establishments and the current and immediate threat such secondary effects pose to the public health, safety and welfare, it is necessary, in accordance with Government Code Section 65858, to extend a moratorium on the issuance of entitlements for and the establishment or relocation of massage establishments in the City to provide time for the City Council to further evaluate and consider possible adoption of legislation, guidelines and/or polices as required to avert the potential impacts of massage establishments.

**Section 3. Severability.** If any provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance, including the application of such part or provision to other persons or circumstances shall not be affected thereby and shall continue in full force and effect. To this end, provisions of this ordinance are severable. The City Council of the City of San Leandro hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause, or phrase hereof irrespective of the fact that

any one or more sections, subsections, subdivisions, paragraphs, sentences, clauses, or phrases be held unconstitutional, invalid, or unenforceable.

**Section 4. Effective Date and Duration.** This Ordinance shall become effective immediately upon passage and adoption if passed and adopted by at least four-fifths vote of the City Council and shall extend the moratorium from and after the date that Ordinance No. 2014-019, as once extended by Ordinance No. 2014-022, would have otherwise expired for a period of 1 year for a total moratorium period of 2 years in accordance with Government Code section 65858.
