RECOMMENDATIONS

Staff recommends adoption of a resolution approving Parcel Map 11183.

BACKGROUND

The subject property is located on the north side of Oakes Boulevard between East 14th Street and Maple Court. The property is owned by Rongkang Wang and Kayla Kwanying Peng, and currently has a single-family residence. To the south and east sides of the property are single family homes, and to the north and west sides are multi-family residential buildings. The site is currently zoned as RM-1800, Residential Multi-Family.

The property owners previously applied for a Conditional Use Permit and Site Plan Review, PLN17-0002, which was approved by the Board of Zoning Adjustments at their meeting on November 2, 2017. The property owners also previously applied for a Parcel Map for Condominium Conversion

Purposes, Parcel Map 10850. The map was approved by City Council Resolution No. 2019-046 at the February 19, 2019 City Council meeting. Although the map was accepted and recorded at the Alameda County Recorder's Office, the property owners have decided to abandon the project and submitted Parcel Map 11183 to revert the property from a parcel for condominium conversion purposes back to the original single lot.

Analysis

Per San Leandro Municipal Code Title VII, Chapter 1, Article 10, the property owner has filed all required data and documents for the reversion to acreage of the subject property. The City Engineer has examined Parcel Map 11183 and found that it complies with California State Law and local ordinances. In addition, the City's consultant Land Surveyor is satisfied that Parcel Map 11183 is technically correct pursuant to the Subdivision Map Act.
