RESOLUTION Establishing November 8, 2016 as the Date for a Municipal Election on a Proposed Ballot Measure Seeking Voter Authorization to Amend the City’s Existing Business License Tax for General Fund Purposes, Establishing Policies and Procedures in Connection with Such an Election, Requesting that the Alameda County Registrar of Voters Conduct Such an Election, and Requesting that the City Attorney Prepare and File an Impartial Analysis of the Proposed Ballot Measure

**WHEREAS**, the proposed updates to the business license tax ordinance have been designed to better align the City’s business license tax rates with City Council priorities to support local small businesses, to incentivize the productive use of the City’s industrial areas, and to modify the rate applied to warehouse and distribution businesses and parking lots while still ensuring a competitive advantage for those parking lots as compared to similar businesses in Oakland; and

**WHEREAS**, the proposed updates would not negatively impact the vast majority of San Leandro’s businesses; and

**WHEREAS**, this proposed ordinance will be submitted to the voters of the City at the November 8, 2016 general municipal election. The tax will be approved if the measure receives at least a majority of affirmative votes. Revenue from the tax would be placed in the City’s General Fund, so the proposed tax would be a general tax; and

**WHEREAS**, under the provisions of State law relating to charter cities in the State of California, an election shall be held on November 8, 2016, for the submission to the voters of a

question relating to an amendment to the business license tax; and

**WHEREAS**, it is desirable that the election be consolidated with the statewide election to be held on the same date, and that within the City, the precincts, polling places, and election officers of the two elections be the same; and

**WHEREAS**, it is desirable that the County Elections Department of the County of Alameda canvass the returns of the election and that the election be handled in all respects as if there were only one election.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of San Leandro that:

Section 1. The foregoing recitals are true and correct and hereby incorporated by reference.

Section 2. The City Council is authorized to present a proposition to the voters for their consideration pursuant to Article XIIC of the California Constitution, Government Code section 53724, and Elections Code section 9222. Section 3. The City Council hereby calls an election at which it shall submit to the qualified voters of the City of San Leandro, a measure that, if approved, would amend the City's general business license tax, as authorized by California Government Code section 37101 and California Business and Professions Code section 16000 *et seq.* This measure shall be designated by letter by the Alameda County Registrar of Voters. Section 12. Compliance with California Environmental Quality Act. The approval of this resolution is exempt from the California Environmental Quality Act (Public Resources Code §§ 21000 et seq., "CEQA," and 14 Cal. Code Reg. §§ 15000 et seq., "CEQA Guidelines"). The tax proposed by this resolution is a general tax that can be used for any legitimate governmental purpose; it is not a commitment to any particular action. As such, under CEQA Guidelines section 15378(b)(4), the tax is not a project within the meaning of CEQA because it creates a government funding mechanism that does not involve any commitment to any specific project that may result in a potentially significant physical impact on the environment. If revenue from the tax were used for a purpose that would have such effect, the City would undertake the required CEQA review for that particular project. Therefore, pursuant to CEQA Guidelines section 15060 CEQA analysis is not required.
