Adopt Three (3) Resolutions Updating Designations of Persons Authorized to Make Financial Transactions and Investments of Funds

SUMMARY AND RECOMMENDATION

Staff recommends three resolutions be approved by the City Council:

1. Designating signers on City checks and authorizing City officials to make fund transfers.
2. Designating certain depositories and authorizing City officials to remit money in the City treasury to the State Treasurer for deposit in the Local Agency Investment Fund (LAIF).
3. Authorizing Successor Agency for the Redevelopment Agency of the City of San Leandro officials to remit monies to the State Treasurer for deposit or withdrawal from LAIF.

BACKGROUND

The San Leandro City Charter provides that all City checks be authenticated by signatures of the City Manager and the Finance Director or their respective assistants. Considering recent personnel changes, it is necessary to update the required signers and grant authority for depositing funds into certain banks and depositories and make deposits and withdrawals for City and Successor Agency LAIF accounts.

Staff recommends that T. Michael Yuen be added as Finance Director and Scott Koll added for the Finance Department. In addition to dual signatures required by the City Manager and Finance Director on City checks, these individuals will be authorized to initiate fund transfers by telephone or wire instructions for the conduct of City business with the state. Signing authority was last updated on November 15, 2021.

The recommended changes established by City Council resolution will insure deposits and withdrawals can be made in a timely manner, supporting the City Council's goal to place San Leandro on a firm foundation for long-term fiscal sustainability.
