Presentation by the City Council to the Boys & Girls Clubs of San Leandro of a Check for \$15,000 for High Speed Internet Connectivity from the City's Commercial Incentive Program for Broadband Connections.

BACKGROUND

The Broadband Connection Program is an incentive program offered by the City to assist businesses in connecting to broadband infrastructure by providing matching funds in the form of a forgivable loan. The \$15,000 check being presented tonight covers half of the \$30,000 cost to connect to Lit San Leandro.
