Adopt a Resolution to Approve and Authorize the City Manager to Execute Amendment No. 7 with Del Conte's Landscaping, Inc. for Citywide Median Maintenance and Weed Abatement in City Right-of-Ways for \$216,261.60 for Fiscal Year 2022-2023

### **SUMMARY AND RECOMMENDATIONS**

Staff recommends that the City Council authorize the City Manager to execute Amendment No. 7 to a Non-Professional Services Agreement with Del Conte's Landscaping, Inc. to provide monthly median maintenance and weed abatement services in City right-of ways.

### **BACKGROUND**

On August 31, 2015, the Public Works Department issued Request for Proposals (RFP) 55026 for Citywide median maintenance. Four firms submitted proposals deemed responsive to the RFP. After review by a committee of internal staff, the four proposals were ranked and Pacheco Brothers Gardening, Inc., a Hayward-based firm, was selected based on the firm's highest score and the second lowest bid price. The City entered into a contract with Pacheco Brothers Gardening, Inc. on March 1, 2016.

Amendment No. 1 extended the Non-Professional Services Agreement through June 30, 2018 and allowed the City Manager to extend the contract annually for three additional years by contract amendment. The subsequent year, Amendment No. 2 noted that the company name had changed to Del Conte's Landscaping, Inc. Subsequent amendments have extended the contract on an annual basis subject to inflationary increases.

### **Analysis**

If authorized, the existing contract will be extended for Fiscal Year (FY) 2022-2023 in the amount of \$18,021.80 per month for a total of \$216,261.60. The new contract price reflects a 5.5% increase over the prior fiscal year. Services include maintenance of medians and other right-of-way landscapes, and/or weed abatement in forty-eight (48) distinct locations throughout the City including major streets such as E. 14th Street, Davis Street, Marina Boulevard, San Leandro Boulevard, Doolittle Drive, and MacArthur Boulevard. Services include mowing, plant trimming, irrigation monitoring and repair, litter abatement, and weed abatement.
