WHEREAS, change orders to clarify the work or respond to atypical existing conditions are a normal aspect of public contracting and construction; and

WHEREAS, in order to expedite the delivery of public projects on schedule and on budget, provide that subcontractors and workers are paid in a timely fashion, avoid as much as possible costly delay claims, and insure that the City completes projects and products that are to the City's highest standards, the City Council finds that providing such authorization is in the best interest of public health, safety and welfare.

NOW, THEREFORE, the City Council of the City of San Leandro does RESOLVE as follows:

That the City Manager or his designee is authorized to negotiate and approve individual change orders for each contract listed above up to a maximum of 10% of the original contract amount; and

That the City Manager or his designee is authorized to negotiate and approve cumulative change orders for each contract listed above up to a maximum of 25% of the original contract amount.
