RESOLUTION of the City of San Leandro City Council to Approve and Authorize the City Manager to Execute a Sole Source Purchase with National Auto Fleet Group for Two 2021 Model Year Peterbilt Patch Trucks at Amounts Not to Exceed \$280,871.10 and \$242,633.11, Respectively and to Appropriate \$110,090.21 from the Gas Tax - RMRA Fund to the Vehicle Replacement Fund

**WHEREAS**, two separate purchase estimates (one for each patch truck) were presented to this City Council; and

**WHEREAS**, the City Council is familiar with the contents thereof; and

**WHEREAS**, the City Manager recommends the purchase of such equipment; and

**WHEREAS**, the equipment replacement funds in the amount of \$192,708 and \$220,705 are budgeted and available in the Equipment Maintenance Fund - Vehicle Purchase Account 690-16-002-7510 to pay for the two patch trucks; and

**WHEREAS**, the Gas Tax-RMRA Fund (140-31-057) has \$110,090.21 in funds available to appropriate to the Vehicle Purchase Account to cover the funding gap; and

**WHEREAS**, a sole source purchase is justified because these two patch trucks are ones that help maintain operational continuity and are equipment that paving and fleet staff are familiar with.

**NOW, THEREFORE**, the City Council of the City of San Leandro does **RESOLVE** as follows:

1. That said purchase estimates of \$280,871.10 and \$242,633.11 (taxes included) substantially in the forms presented are hereby approved and purchase of the equipment by the City Manager is hereby authorized; and
2. That for Fiscal Year 2019-20 an additional appropriation of funds shall be made from the Gas Tax-RMRA Fund balance in the amount of \$110,090.21 to account 690-16-002-7510; and
3. That a sole source purchase is justified under the City's Municipal Code section 1-6-315 and California Public Contract Code section 3400 to help maintain operational continuity on equipment already in use and upon which staff is familiar.
