Motion to Approve the 2023 Housing Element Annual Progress Report (APR)

COUNCIL PRIORITY

- Housing and Homelessness
- Community Engagement and Outreach
- Community & Business Development

SUMMARY

The APR is a required report on the status of the City's housing programs. Pursuant to Government Code Section 65400, local governments must provide, each year, an Annual Progress Report (APR) on the status and progress in implementing its Housing Element to the legislative body, Office of Planning and Research (OPR), and HCD. HCD prepares the form template that cities must submit to comply with these statutory requirements. The City submitted the 2023 APR to OPR and HCD in advance of the April 1, 2024 deadline. The 2023 APR is the first report on the City's 2023-2031 Housing Element. HCD certified the City's 2023-2031 Housing Element Update on February 2, 2023.

RECOMMENDATION

Staff recommends that the City Council approve, by motion, the 2023 HCD APR.
