Staff Report for a Resolution to Approve a Non-Professional Services Agreement for Citywide Re-Striping between the City of San Leandro and Chrisp Company for an Amount Not-to-Exceed \$56,000.

### **SUMMARY AND RECOMMENDATIONS**

Staff recommends approval of a Non-Professional Services Agreement (NPSA) for the Citywide Re-Striping Project, in an amount not-to-exceed \$56,000.

### **BACKGROUND**

Citywide re-striping work is bid out approximately every other year, and includes the painting of double-yellow, broken yellow and white lines typical of City streets. This project was bid out (Bid 16-17.027), with the City receiving two bids. Chrisp Company was the low bidder, coming in approximately 28% lower than the other bid.

### **Fiscal Impacts and Budget Authority**

This work, which is performed by an outside contractor, is an existing budgeted line item in the Public Works Gas Tax Fund (140-31-056). Adequate funds are in place for completion of this project.
